Copy of Testimonials
 Kelliaropans June 1889.

I have the honor to certify that Abdul Khader was employed on No 40/- per month of Kelliaropans Distillery from 12th Sept in month of June 1889. He was found to be a man of exceptional intelligence, learning the working of the continuous method in stills and of the fermentation sheet almost perfectly in a short time & placing himself in a position to satisfactorily supervise the work.

He has since tendered his resignation and has been in the employ of Messrs. Gill & Co. as a chemist and assistant.

I have known Mr. S. Khader for the short while he has been in the employ of Messrs. Gill & Co. at this station and during this time have found him a steady, intelligent and obliging young man.

I should think he would give a satisfactory reply to any inquiry.
