From

Dr. E. Hultsch,
Epigraphist,
Archaeological Survey of Southern India.

So

The Chief Secretary to Government,
Madras.

CHIEF STAFF
26 OCT 19
GOVERNMENT OF INDIA

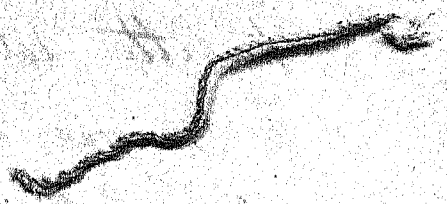

Sir,

I have the honour to request that Government might be so good as permit me to stay at headquarters until the printing of my first volume of South-Indian Inscriptions is finished. The last proof, which I received from the printing office on the 2nd October, is sheet 40, and I doubt not that form-proofs of the four slips, which contain the remainder of the text, will reach me at an early date, so as to enable me to forward to the Superintendent of the Government Press the manuscript of the Index, which is ready as far as the printed text goes. As I shall have to verify every word contained in the Index, after the proofs will have reached me, my presence at Bangalore and within reach of my library will be absolutely necessary. Otherwise the publication of the volume would have to be deferred until after

after the closing of the Camping-season. In
his letter, dated Edinburgh, 3rd October 1889, Mr
J. Burgess, the Director-General of the
Archaeological Survey, says:— 'I would recom-
mend your going into camp as soon as you
can.' As he is very anxious that the volume
should appear as soon as possible and has
already forwarded the distributions list and
directions about binding, I have no doubt
that, if he knew that its publication was
still delayed, he would lend his support
to the request which I have made. In
conclusion, I suggest that the printing of the
volume might be finished as speedily as
possible, so as to give me sufficient time for
visiting Tanjore and Madura during the cold
season, as directed by Dr Burgess.

I have the honour to be, Sir,
your most obedient servant,
E. Hultzsch,
Epigraphist.
