LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

In June 1888, the Government of the Straits Settlements applied for the services of three Medical subordinates of this Presidency for employment in the colony. Two men of the Civil Apothecary grade having volunteered, their services were permanently transferred to the Government of the Straits Settlements on the understanding that their pensionary rights in respect of their Indian service would be determined on their eventual retirement, in accordance with the provision in article 517 of the Civil Service Regulations. The Straits Government now inquires whether a similar concession will be granted to the Madras Medical subordinates who may accept service under the Protected Native States attached to the colony, in the event of the Colonial Government undertaking the responsibility of pay and pension of the transferred officers for the period of their employment under such States. It seems, I am to say, to His Excellency the Governor in Council, that so long as the Colonial Government guarantees their pension to these men on retirement, the transfer of their services to Protected Native States does not affect their *status* so materially as to warrant their exclusion from the benefits of the regulation cited above. The Accountant-General, who has been consulted, is of the same opinion; but in view to a clear ruling on the point being embodied in the Civil Service Regulations, he suggests that the matter may be laid before the Government of India, and I am accordingly directed to transmit the marginally noted papers for the orders of His Excellency the Governor-General in Council.

READ—again the following papers :—

G.O., dated 26th February 1889, No. 187, Public.

ABSTRACT.—Passing orders regarding the claims to pension of the Madras Apothecaries at Singapore for services rendered in India, should they elect to remain in the service of that colony.

G.O., dated 15th May 1889, No. 424, Public.

ABSTRACT.—Passing further orders on the same subject.

READ—also the following papers :—

From the Honorable the Acting Colonial Secretary, Straits Settlements, to the Chief Secretary to the Government of Madras, dated Singapore, 20th August 1889, No. 6044—89.

I am directed to acknowledge the receipt of your letter, No. 425, Public, of the 15th of May last, inviting the attention of this Government to paragraph 3 of the Proceedings of the Madras Government, No. 424, dated the 15th of May 1889.

2. In reply, I am to state that this Government is quite willing to take the responsibility of seeing that any salaries and pensions earned by the apothecaries engaged in Madras for service in the Protected Native States are received in accordance with the Pension Regulations of Perak (of which, as they now stand, I enclose you a copy).

3. The Government will be glad, if by an understanding of this kind, the Government of Madras is enabled to grant these apothecaries pensions in respect of their Indian service on their final retirement from the Colonial service on pension or compensation allowance.

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 11th October 1889, No. 3656.

With reference to the endorsement of the Assistant Secretary, Mr. Meyer, No. 2767, dated the 20th September 1889, referring to me, for remarks, a letter from the Colonial Secretary, Straits Settlements, I have the honor to point out that article 517 of the Civil Service Regulations is not literally applicable to the cases of officers referred to in the above letter, because 10 (3) of the Pension Regulations of Perak regards the transfer to the service of a Protected Native State as the *close* of service in the colony, an officer not being *lent* as with us, but transferred.

2. At the same time, the Colonial Government's proposal, in paragraph 2 of their letter, to guarantee payment of pension for service under the Protected State (which, I understand, will be at the same rate as pensions payable for service in Perak) brings the above cases fairly within the spirit of the rule.
