13th September 1889.

To

The Secretary to the Govt of India in the
Home Department.

Dear Sir,

In continuation of Mr Trevor's letter dated the 25th of September 1889 and the 20th of September 1888, I transmit a printed copy of the Table of marks &c of the Final Examination of the candidates selected in 1889 for the Civil Service of India.

You will observe that three of the candidates Messrs Puri and Dutt have not yet received their certificates from the Civil Service Commissioners. This circumstance will probably delay the arrival in India until the end of October or early in November of the Secretary of State's despatch announcing the appointments made this year to the Civil Service of India. But as some of those whose appointments are completed will be starting for India soon, it is advisable that you should be prepared to let those who are assigned to the North West Provinces Punjab and Central Provinces respectively, receive at Bombay orders as to their destination.

It is to be noted (and it is shown in the accompanying Table) that four of the gentlemen assigned to the Lower Provinces of Bengal have been allowed to remain another year in this country with a view to taking a Degree in Honours. The remaining 42 candidates will reach India before the end of the present year.

Yours faithfully
(R) A. G. Macpherson
