Note
The S.O. quoted by the Dist. Officer is based on old orders which were expressly repealed by the G.O. No. 574 of 1884. The new rules apply to transactions between European officers and "any native within his jurisdiction" or (2) "within the limits of the District in which he is employed". Mr. A. J. S. seemingly falls in class (2). Tho' the present case comes within the letter of the rules, it seems doubtful if it falls within its spirit. The relation between the purchasing party and the transaction is the best evidence that it has been of a bona fide character.
