[Despatch Abstract.]

Re want of a medical
officer for Madras.

No 329
Memo

Forwarded to the Chief
Secretary to Govt: Pub. Dept.
No one can regret the want
of a Commissioned Medical
Officer for Madras more
than I do, but as is well
known to Govt: I have not got
a sufficient number of
Officers at my disposal
owing to military engagements.

I expect that about
the end of the year Dr Ritchie
may be spared to return
to the District.

To the Collector
Madras

The Surgeon General
with the force of
Madras.

Madura Collector's office
12th November 1889

From

E. Turner Esquire,
Collector of Madura

To

The Surgeon General
with the Government of
Madras

Sir,

I have the honor to request that arrange-
ments be made at a very early date to send a
competent medical officer to Madura. This large
and important Town and District has been without
a medical officer for 7 months. There is more
or less of Cholera all over the District and I have
just been obliged to telegraph to Palamcottah for a
medical officer owing to the dangerous state of Mr.
Cumming, the Assistant Collector, who is suffering
from a bad attack of Cholera. In my opinion, it
is little short of criminal to keep large stations
and Districts like this without an adequate staff
of medical officers

I have the honor to be
Sir,
Your most obedient Servant
E. Turner
