 To 655. M. D/ 10 December 1889

From
 W. Japp Esqre.
 Executive Engineer
 Trichinopoly Div.
 To
 The Collector of
 Trichinopoly.

Sir,
 In reply to your letter to 96,
 dated 8th November 1889, I have the
 honour to inform you that the height of
 the foot of the flag staff on the Trichi-
 nopoly rock above mean sea level is
 +510.40 feet.

2. The flag staff itself is 32 feet
 in height and is in its present position
 4 feet lower than it originally was.

3. The height of the B. R. on the
 platform of the Trichinopoly Rock railway
 station above mean ^{sea} level is +228.85 ft.

The sketch will show
 what the original and present
 positions of the staff are.

The information was obtained
 from the temple authorities.

I have &c
 W. Japp
 11-12-89.
 Executive Engineer
 Trichinopoly Div.
 Three copies

Communicated to the Officer
 Commanding, Trichinopoly, in
 Continuation of this Office letter
 No. 39-16. The statement made
 in the latter that the present height
 of the flagstaff, was the same as
 before was a slight error.

2. The flagstaff is as conspicuous
 in its present position as it was
 before.

Trichinopoly
 Dec 10/89

for Collector

787
 I have in submission from 10/12/89
 of the height of the flagstaff
 in the latter that the present height
 of the flagstaff, was the same as
 before was a slight error.
 The flagstaff is as conspicuous
 in its present position as it was
 before.
