Sum of money (£31) was found with deceased  
and taken charge of by the Police at  
Melbourne. It does not seem clear why  
Mr Roberts should have defrayed the  
funeral expenses of deceased if so much  
money was really available. Mr Roberts  
may have been generous - and so long  
as his own funds lasted he seems to  
have been fairly liberal to his troupe -  
or the funeral expenses may have  
swallowed up the available estate funds.
