ORDER—dated 21st February 1890, No. 134, Public.

The Bangalore Pensioners' Widows' and Orphans' Fund commenced the year 1889 with a cash balance of Rs. 398-6-3. The total receipts during the year amounted to Rs. 5,805-3-9, and the expenditure to Rs. 4,836-10-3, leaving thus a closing balance in cash of Rs. 1,366-15-9.

2. According to the accounts reviewed in G.O., dated 29th January 1889, No. 96, Public, the loan balance at the credit of the fund on the 31st December 1888 was Rs. 11,450-15-10; of this Rs. 4,148-1-0 was repaid during the year, while new loans to the extent of Rs. 2,793-12-3 were issued. The loan balance at the credit of the fund on the 31st December 1889 would thus be Rs. 10,096-11-1 instead of Rupees 10,695-2-7, as stated in paragraph 2 of the President's letter. It is presumed that this difference is due to the transfer to the loan account of arrears of interest as surmised when similar discrepancies were pointed out in the accounts of the past two years. The President should report on this point.

3. Including loans and outstanding interest, the total assets of the fund, as stated by the President, amounted to Rs. 12,317-14-9 at the close of 1889, against Rupees 12,228-10-3 on the 31st December 1888, and Rs. 12,255 on the same date in 1887. The balance in favor of the fund was Rs. 79-4-6.

4. The number of subscribing members to the fund has been reduced from 4 to 3, apparently by the death of one member. The amount subscribed by the members is not reported; on the contrary the President's letter shows that the full amount of subscriptions was received from the general public.

5. In the report for 1888, it was stated that there were 22 widows and 4 children in receipt of pensions from the fund at the close of that year. Two widows are reported to have died during 1889, and as at the end of the year there were 21 widows and 6 children on the books, it is presumed that by the death of one of the subscribers, one widow and two children were added to the list of pensioners.

6. As the subscriptions exceed Rs. 300, the payment of the full Government grant of that amount to the institution is sanctioned.

No. 113. ORDER THEREON, 27th April 1866, No. 428.

The Statement submitted with the foregoing letter shows that the private subscriptions to the Bangalore Pensioners, Widows, and Orphans' Fund, during the past year, were considerably in excess of the amount* fixed by the Home Authorities, in their Despatch of the 16th September, No. 57 of 1857, paragraph 17, to entitle the charity to the authorized contribution from Government. The Governor in Council therefore sanctions a grant to the Institution of Rupees (300) three hundred, for the year 1865.

*Proceedings of the Madras Government, Public Department,

No. 66. Read the following letter from the President of the Bangalore Pensioners' Widows' and Orphans' Fund, to the Chief Secretary to Government, Fort Saint George, dated Bangalore, 18th October 1869.

I have the honour to request that you will kindly inform me, whether, in the event of the Bangalore Widows' and Orphans' Fund being thrown open to other classes of Europeans and East Indians, Government would at once withdraw their annual grant of Rupees 300. The Members of the Fund are anxious to enlarge its basis, in order to make it if possible self-supporting, but they are afraid to do this, unless assured that the Fund would not thereby be deprived of Government aid, until such time as it could safely be dispensed with.

No. 67. ORDER THEREON, 10th November 1869, No. 1541.

The annual grant of Rupees 300 having been given expressly for the "Bangalore Pensioners' Widows' and Orphans' Fund," His Excellency the Governor in Council directs that the President of the Fund be informed that the grant must be restricted to the original objects of the Fund, and that, in the event of the objects of the Fund being changed, the grant will not be continued.

No. 109. ORDER THEREON, 30th January 1871, No. 127.

It appears from the Account Current submitted with the foregoing letter that the amount at the disposal of the Bangalore Pensioners' Widows and Orphans' Fund on the 1st January 1870 was Rupees 12,000-9-11, the subscriptions, interest, &c., during the year amounted to Rupees 3,000-3-1, which, with the Government grant of Rupees 300, made up a total sum of Rupees 15,300-13-0.

2. The disbursements during the year amounted to Rupees 2,165-1-0, leaving a balance, on the 31st December last, of Rupees 13,135-12-0, of which Rupees 11,065-14-10 were out at interest, and Rupees 2,069-13-2 in the cash chest.

3. The Government consider these results to be satisfactory and sanction the payment of the grant of Rupees (300) three hundred for the current year.

4. The Government are of opinion that the sum of Rupees 2,069-13-2, stated to be retained in the cash chest, should be deposited in the Branch Bank at Bangalore.

Proceedings of the Madras Government, Public Department,

26th February 1872.

No. 97. Read the following letter from the Honorary President of the Bangalore Pensioners' Widows' and Orphans' Fund, to the Chief Secretary to Government, Fort St. George, dated Bangalore, 7th February 1872, No. 298:—

With reference to paragraph 3 in the Order of the Madras Government, dated 30th January 1872, No. 126, respecting the account current of the Bangalore Pensioners' Widows' and Orphans' Fund for the year 1871, I have the honour to state that "the law expenses" to the amount of Rupees 201-8-0, included under the head of "Disbursements," were incurred for the recovery of two sums of money advanced as loans by members of the Fund on the mortgage of certain houses and land.

2. It is one of the objects of this Fund to assist out of its capital Pensioners and others, either to purchase or repair a house, the title-deeds of the same being made over to the Secretary and Treasurer, as a security for money advanced.

3. The Committee of Management, by whom the account current is signed, decide upon the value of property offered as mortgage, are responsible for the validity of title-deeds which they accept, and have authority to grant a loan not in excess of the moiety of the entire estimated value of any security.

4. Two loans were thus granted, the one in May 1863 of Rupees 300, the other in March 1869 of Rupees 900. Bonds were executed and registered in both cases for the repayment of the money, but the parties having failed to perform their conditions, neither interest nor principal having been paid for some considerable time, the members of the Fund, with my approval, resolved to take legal measures for the recovery of their money. Hence the law expenses.

5. Neither of the loans was granted during my connexion with the Fund; and, as a rule, the Honorary President has no cognizance of such transactions except when referred to him for his advice. The chief law expense was in the case of the loan of Rupees 900 (it amounted to Rupees 171-3-0); and I advised the members to take the matter into the Small Cause Court, in the event of the terms of the bond not being promptly complied with, as I found upon examination that the title-deeds of the house given as mortgage were not tangible security. The house was not the property of the widow who received the loan, but of her son, a minor, who, on coming of age, might have repudiated the debt and demanded the title-deeds.

6. Trusting that this explanation will be deemed satisfactory by His Excellency the Governor in Council, I have the honour to remain, &c.

*No. 104. ORDER THEREON, 28th January 1874, No. 93.

It appears from the account-current submitted with the foregoing letter that the receipts in connexion with the Bangalore Pensioners', Widows and Orphans' Fund for the year 1873, including a balance of Rupees 13,436-11-6, amounted to Rupees 16,261-13-2.

2. It should have been shown either in the account-current, or stated in the letter, where the balance was deposited.

3. The Governor in Council observes that the receipts, as compared with the preceding year 1872, have increased by Rupees 133-13-2, while the charges exceed those of the preceding year by Rupees 273-7-0. Some explanation should have been afforded to Government on the subject. The Honorary President of the Fund will be requested now to do so.

No. 97. Read the following letter from the Rev. C. RHENIUS, Ex-Officio President, Bangalore Pensioners Widows and Orphans' Fund, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bangalore, 19th February 1874 :—

I am in receipt of Proceedings of the Madras Government, Public Department, 28th January 1874, No. 93, and have the honour to send the following statement in reply :—

1st.—That of the balance of Rupees 729-5-2, Rupees 399-7-0 were lodged in the Bank, and Rupees 329-14-2 were in the cash-chest for current expenses. A portion of this latter amount would have been deposited in the Bank had it not been closed for the Christmas holidays.

2nd.—The net receipts of the year, compared with those of the past excluding the opening balance in each case, shows a small decrease of Rupees 23-1-4, which is owing to a falling off in the subscriptions, as noted in the margin, and may be accounted for as follows :—

	RS.	A.	P.
Subscription to Widows' Branch...	32	6	0
Subscription to Childrens' Branch	6	10	0
Subscription from gentlemen ...	147	0	0
Total ...	186	0	0
<i>Deduct—</i>			
Increase in interest ...	82	14	8
Refund of Court costs ...	80	0	0
	162	14	8
Net decrease ...	23	1	4

3rd.—*Subscriptions to the Widows' Branch.*—There is a decrease under this head of Rupees 32-6-0, as compared with the previous year, and is occasioned by the death of three subscribers. The year

opened with twenty-six subscribers, and closed with twenty-three.

4th.—*Subscriptions to Childrens' Branch.*—Here also is a decrease of Rupees 6-10-0 from the past year, and is due to the coming of age of ten children, the year having opened with fourteen subscribers, and closed with ten.

5th.—*Subscriptions from Gentlemen.*—It is much to be regretted that subscriptions from the above source have fallen below those of the previous year, and also the average of the past five years. Several gentlemen who used to subscribe have left the station, and those now in their place are not as liberally disposed as their predecessors.

2. There is a slight increase in interest, which is favourable, and a donation from St. John's Church of Rupees 50, which taken as a set off against the decrease in the items above, reduces the net decrease to Rupees 23-1-4, the sum noted above.

3. The disbursements show an increase of Rupees 273-7-0 over that of the past year and is due to—

1st.—An increase of widows brought on the fund.

2nd.—An increase of children admitted on the fund.

3rd.—A heavy item of law charges, all which will now be briefly explained :—

1st.—*By an increase of Widows admitted.*—The year 1872 closed with thirty-nine widows receiving pensions, and during the year three incumbents were received, while one died and another married. It must be here noted that a widow admitted in December 1872, and at the end of the year received the benefit of the fund for nine months of 1873. The income amounts to Rupees 108-9-0. The number of widows on the rolls of the fund at the close of the year was forty-two.

25th February 1874.*

2nd.—*By an increase of Children to the benefits of the Fund.*—One child was admitted during the year and one ceased to draw pension, while four children, who were admitted on the last month of 1872, enjoyed the benefits of the fund for the whole of 1873. The number on the rolls at the end of the year was twenty-eight, and the increase over the preceding year amounted to Rupees 40.

3rd.—*A heavy item of Law Charges.*—A sum of Rupees 130 had been expended in the year on account of law charges, of which nearly two-thirds or Rupees 80 had been recovered in the year, leaving the balance of Rupees 50 to be adjusted in the current year, which there is every reason will be recovered. Charges of this nature appear unavoidable, but in every case I believe the amount is recovered from the delinquents and credited to the fund.

No. 7. Read the following letter from Rev. T. FOULKES, Honorary President, Bangalore Pensioners' Widows and Orphans' Fund, and Chaplain of St. John's, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Bangalore, 14th January 1875:—

I have the honor to forward the accompanying statements of accounts of the "Bangalore Pensioners' Widows and Orphans' Fund," and request that you will be so good as to lay the same before Government.

2. The income of the fund during the past year has been Rupees 330-15-8 less than in the previous year, and there has also been a decrease of expenditure this year, amounting to Rupees 262-13-0.

3. The decrease of income is owing partly to a falling off of about Rupees 15½ a-month in the monthly subscriptions of gentlemen, and partly to two items of unusual receipts occurring in 1873, one of them being a donation of Rupees 50 and the other a recovery of Rupees 80 which had been incurred for law expenses.

4. The decrease of expenditure is owing partly to an unusual item of Rupees 130 incurred for law expenses in 1873, while there has been no expenditure under this head in 1874; and partly to the coming of age of several children during 1874, causing a saving of Rupees 205 to the fund.

5. I trust that the accounts will be found satisfactory, and that His Excellency the Governor in Council will be able to sanction the annual grant of Rupees (300) three hundred in aid of the fund.

No. 8. ORDER THEREON, 2nd February 1875, No. 130.

The Bangalore Pensioners' Widows and Orphans' Fund had at its credit on the 1st January 1874 Rupees 13,297-1-2. It obtained during the year from—

	RS.	A.	P.
Subscriptions to the widows' branch	184	0	0
„ to children's „	16	6	0
„ from the public	554	0	0
Interest on capital	1,439	12	0
Total	2,194	2	0

Adding thereto the Government grant of Rupees 300, the total income for the year was Rupees 15,791-3-2.

2. From this, Rupees 2,701-15-0 were disbursed during the year, and the balance at the close of the year was Rupees 13,089-4-2, or Rupees 207-13-0 less than the opening balance.

3. The payment of the grant of Rupees 300 for the current year is sanctioned.

I have the honor to forward, herewith, the usual annual statement of accounts of the "Bangalore Pensioners' Widows and Orphans' Fund" for the year 1875, for the information of Government.

2. The income of the Fund during the past year is at first sight less than that of the previous year by Rupees 111-0-7. This is owing to the sum of Rupees 261 being due for interest upon loans for 1875, almost all of which will be received as soon as the Wills of the deceased debtors have been proved.

3. The expenditure is less by Rupees 119-9-0 than that of the previous year, owing to the number of widows and children dependent upon the Fund being fewer this year than in 1874.

4. I trust the accounts will be found satisfactory, and that His Grace the Governor in Council will be good enough to sanction the annual grant of Rs. 300 (three hundred) in aid of the Fund.

I have the honor to forward, herewith, the usual annual statement of accounts of the "Bangalore Pensioners' Widows and Orphans' Fund" for the year 1877, for the information of Government.

2. The income of the Fund during the past year has been Rupees 2,307-6-0. The expenditure was Rupees 2,511-7-0.

3. The income for 1876 was Rupees 2,676-13-10, or Rupees 369-7-10 in excess of that of the year; but, as an item of Rupees 372-8-0 for old arrears of interest and Court costs was included in the accounts of 1876, the present year's income from the ordinarily available sources of the funds is about Rupees 5 in excess of that of 1876.

4. The expenditure for 1877 is less than that for 1876 by Rupees 131-7-0 owing to the deaths of some of the incumbents on the Fund.

5. Seven widow-incumbents and three children have died during the past year, and three widows have been admitted to pensions. During the past year also five children-incumbents have reached the age when their pensions cease.

6. There are thirty-four widows and seven children at present receiving pensions from the Fund. These pensions amount to Rupees 177 a month, or Rupees 2,124 for the year.

7. I have the honor to request that His Grace the Governor in Council will be good enough to sanction the usual annual grant of Rupees 300 to the Fund.

No. 79. ORDER THEREON, 21st January 1878, No. 105.

No. 71. *From the Rev. T. FOULKES, Chaplain of St. John's, and Honorary President of the Bangalore Pensioners Widows and Orphans' Fund, to the Acting Chief Secretary to Government, dated 21st January 1879.*

I have the honor to forward, herewith, the usual annual statement of account of the "Bangalore Pensioners Widows and Orphans' Fund" for the year 1878, for the information of Government.

2. During the year 1878 the receipts from all sources amounted to Rupees 2,797-14-0, which is Rupees 490-8-0 more than the income of the preceding year; and the expenditure was Rupees 2,520-1-5, or Rupees 8-10-5 more than that of the preceding year. The income for the past year was, therefore, Rupees 277-12-7 more than the expenditure. This sum represents an improvement to that extent in the amount of the general assets of the Fund. We commenced the year with Rupees 12,619-14-5 at credit, and we end it with Rupees 12,897-11-0.

3. Two widow-incumbents have died during the past year, and there has been no new admission to pension. One child-incumbent has also ceased to draw pension, having attained her sixteenth year.

4. There are thirty-two widows and six children at present receiving pensions from the Fund. These pensions amount to Rupees 166 a-month (against Rupees 177 in January 1878) or Rupees 1,992 for the year (against Rupees 2,124 in January 1878).

5. I have the honor to request that His Grace the Governor in Council will be good enough to sanction the usual annual grant of Rupees (300) three hundred to the Fund.

No. 72. ORDER THEREON, 28th January 1879, No. 115.

The aggregate assets of the Bangalore Pensioners Widows and Orphans' Fund during the year 1878 amounted to Rupees 15,417-12-5 against Rupees 15,131-5-5 in 1877. The payments to Rupees 2,520-1-5 against Rupees 2,511-1-7. The closing balance was Rupees 12,897-11-0 against Rupees 12,619-14-5 brought over from last year. The income of the Institution advanced during the year by Rupees 286-7-0, and the charges by about Rupees 9.

2. The casualties during the year were two widows deceased, and one child ceased to draw pension having attained her sixteenth year.

3. There were at the close of the year thirty-two widows and six children receiving aid from the Institution against thirty-four widows and seven children in 1877.

4. His Grace the Governor in Council is pleased to sanction the annual grant of Rupees (300) three hundred.

No. 50. *From the Rev. T. FOULKES, Chaplain of St. John's and Honorary President of the Bangalore Pensioners' Widows' and Orphans' Fund, to the Chief Secretary to Government, dated 21st January 1880.*

I have the honor to forward herewith the usual Annual Statement of Accounts of the "Bangalore Pensioners' Widows' and Orphans' Fund" for the year 1879, for the information of Government.

2. During the year the receipts from all sources amounted to Rs. 2,074-2-0, which is Rs. 723-12-0 less than those of the preceding year.

In the receipts of that year, however, several unusual items, amounting together to Rs. 511-9-0, represented recoveries to the fund of law expenses and the produce of the sale of a house, and therefore the decrease upon the ordinary receipts of the fund has been but Rs. 212-3-0, of which Rs. 67-10-0 is owing to a larger amount of arrears of interest unpaid at the end of the year, which has since then been recovered. The true amount of decrease is therefore Rs. 144-9-0, and this is owing to a less amount of the payments by the members of the fund by Rs. 45-12-0, owing to the deaths of some and the withdrawal of others on account of the death of their wives, and by a less amount of Rs. 67 in the subscriptions of gentlemen, and the remainder to a smaller amount of interest upon loans.

3. The general assets of the fund at the commencement of 1879 were Rs. 12,897-11-0, and at its close they are Rs. 12,778-12-0; there has, therefore, been a decrease of Rs. 118-15-0, of which, however, the Rs. 67-10-0 of recovered interest forms a part. The actual decrease is therefore but small, notwithstanding the absence of every kind of extraordinary receipts during the year. This satisfactory condition of the assets will appear in a still more favorable light by a comparison of their present amount with that of the commencement of the year 1878, when they stood at Rs. 12,619-14-5, or Rs. 158-13-7 less than at the present moment.

4. Two widow pensioners have died during the past year, and one child has been removed from the subscription list on attaining his sixteenth year. Two widow pensioners have been added to our list during the year, but no children.

Two subscribing members of the fund have died during the year; and two more have withdrawn, owing to the death of their wives.

At present there are thirty-two widows and six children upon our pension list, and their pensions amount to Rs. 166 a-month, or Rs. 1,992 for the year.

5. The expenses connected with the management of the fund for the past year has been Rs. 156-1-0.

6. I have the honor to request that His Grace the Governor in Council will be pleased to sanction the usual Government grant of Rs. 300 to the fund.

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following letter from the Rev. T. FOULKES, Chaplain of St. John's and Honorary President, Bangalore Pensioners' Widows and Orphans' Fund, to the Chief Secretary to Government, dated Bangalore, 26th January 1882.

I have the honor to enclose, as heretofore, the annual statement of the funds of the "Bangalore Pensioners' Widows and Orphans' Fund" for 1881 for the information of Government.

2. The total receipts during the past year were Rs. 1,897-3-0, and the total disbursements were Rs. 2,251-1-0. These receipts are Rs. 7-6-0 less than those of the preceding year, and the disbursements are Rs. 139-3-0 above those of 1880. Rs. 114 more than in 1880 have been paid in pensions to the incumbents on the fund, and the remainder of the excess in the payments is represented by some law charges which will shortly be recovered. There is a sum of Rs. 237 due for outstanding interest, but the whole of this will be paid in due course; and the fund has lost some of its usual receipts during this year, owing to a portion of its capital being unemployed for some months.

3. The pensions paid to the widows in A.D. 1880 amounted to Rs. 1,885; this year they have received Rs. 2,016, being an excess of Rs. 131. The children's pensions in A.D. 1880 were Rs. 65; this year they were Rs. 48, or Rs. 17 less than those of the preceding year.

4. The number of widow-pensioners on the 31st of December 1880 was 30; on the 31st December 1881 there were 28; and the liabilities of the fund at the commencement of 1882 are therefore Rs. 144 per annum less than at the beginning of 1881, being the amount of the pensions of two widows at the rate of Rs. 6 a-month each. The number of children-pensioners remain the same as in the preceding year.

5. Three widows have died during the year. One subscriber has also died, and his widow has been brought on the fund.

6. The cost of management during A.D. 1881 was Rs. 130-9-0, and this is Rs. 2-1-0 less than in A.D. 1880.

7. I have the honor to request that His Excellency the Governor in Council will be pleased to sanction the usual annual Government grant of Rs. 300 to this fund.

From the Rev. J. M. WALKER, M.A., Chaplain, St. John's, Bangalore, and
Honorary President, Bangalore Pensioners' Widows and Orphans' Fund,
to the Acting Chief Secretary to Government, dated Bangalore, 1st
February 1886.

I have the honor to forward herewith the usual annual statement of the accounts
of the Bangalore Pensioners' Widows and Orphans' Fund for the year ending 31st
December 1885 for the information of Government.

2. The amount of capital, on the 31st December last, was Rs. 12,202-9-6, of
which Rs. 10,954 has been loaned on mortgages, Rs. 299-12-0 outstanding interest,
and Rs. 948-13-6 a cash balance.

3. During the past year the cash receipts from all sources amounted to
Rs. 1,734-7-0, and the expenditure for the same period was Rs. 1,723-13-8, showing a
balance of Rs. 10-9-4 in favor of the fund.

4. The receipts of the year 1885 were greater than those of the preceding year
by Rs. 42-8-11, but the expenditure of 1885 exceeded that of 1884 by Rs. 55-2-7.

5. The pensions paid to the widows and orphans during the past year amounted
to Rs. 1,429. The amount paid to the widows and orphans in the year 1884 was
Rs. 1,535, leaving a balance in favor of the fund of Rs. 106.

6. The death of Mr. Gascoyne last September, who was for many years manager
of the fund, necessitated the auditing of the accounts, thus adding an unusual charge
to the cost of management. A successor has been appointed on an increased salary.

7. The number of subscribing members at the end of the year was six. Three
having died since last report, leaving three widows and five children to become
incumbents on the fund.

8. There have been two casualties amongst the widows during the year 1885
through the deaths of Mrs. Watson and Mrs. Cooke, so that there are now twenty-five
widows and six children in receipt of pensions from the fund.

9. An abstract of the accounts of the fund for the year 1885 is forwarded
herewith.

10. I have the honor to request that His Excellency the Governor in Council
will be pleased to sanction the usual annual grant to the fund of Rs. 300.

show that the receipts, including the balance brought forward from the previous year, amounted to Rs. 13,626-11-2 against 13,560-15-3 in 1884. The increase in the expenditure over the

previous year is due to the charge for auditing the accounts, but the sum of Rs. 70 paid for the audit appears very incommensurate with the amount concerned in the transactions of the fund. The balance to credit at the close of the year was Rs. 11,902-13-6 against Rs. 11,892-4-2 at the end of the previous year. There was also a sum of Rs. 299-12-0 interest outstanding.

2. Two widows died during the year, but by the death of three subscribers three other widows and five children were added to the list of pensioners, making in all twenty-five widows and six children on receipt of pensions. There were only six subscribers at the end of the year.

ORDER—dated 14th March 1887, No. 387, Public.

The Bangalore Pensioners' Widows and Orphans' Fund commenced the year 1886 with a cash balance of Rs. 948-13-6. The total receipts during the year amounted to Rs. 10,562-12-0, and the expenditure to Rs. 10,723-5-6, thus leaving a closing balance in cash of Rs. 788-5-0.

2. According to the accounts reviewed in G.O., dated 8th March 1886, No. 492, the loans due to the fund on the 31st December 1885 amounted to Rs. 10,954; of this Rs. 8,758-15-6 was repaid during 1886, while new loans to the extent of Rs. 8,820-8-6 were issued. The loan balance at the credit of the fund on the 31st December 1886 should thus have been Rs. 11,015-9-0, instead of Rs. 11,164-6-4 as stated in para. 2 of the President's letter. The discrepancy should be explained.

3. Including loans and interest outstanding, the total assets of the fund, as stated by the President, amounted to Rs. 12,161 at the close of 1886, against Rs. 12,202 on the 31st December 1885, and Rs. 11,994 on the same date in 1884. The fund's liabilities amounted to Rs. 50 only.

4. In the report for 1885 there were stated to be 25 widows and 6 children in receipt of pensions from the fund at the close of that year. One widow is reported to have died, and 2 more to have been admitted to pension, in 1886. The number of widow-pensioners on the 31st December 1886 would thus be 26, but in para. 4 of the President's letter it is entered as 27. This also should be explained. One of the child-pensioners was struck off the list during the year on attaining the age of 16, thus reducing the number to 5.

5. The number of subscribers to the fund has been reduced from 6 to 5, there having been 2 deaths and only 1 admission during the year.

6. With reference to the concluding paragraph of the President's letter, it is observed that the annual Government grant sanctioned by the Honorable the Court of Directors in 1857 was to be a sum not exceeding Rs. 300, and not greater than the amount obtained by private subscriptions* during the year. The sums actually subscribed by private persons during the year under review amount to Rs. 166 only,

and strictly speaking the Government grant should therefore be limited to that amount. The full grant of Rs. 300 will, however, be passed on this occasion, but it must be clearly understood that in future the Government payments will not be allowed to exceed the amount obtained by private subscriptions in each year.

which is an increase of Rs. 13-6-0 to the assets of the fund.

ORDER—dated 16th March 1888, No. 282, Public.

The accounts of the Bangalore Pensioners' Widows' and Orphans' Fund for the year 1887 show that the receipts during the year amounted to Rs. 7,711-15-10, against Rs. 10,562-13-0 of the previous year. Including the balance (Rs. 7-8-5-0) with which the year opened, the total receipts amounted to Rs. 8,500-4-10, or, in round numbers, Rs. 3,000 less than in 1886. The expenditure aggregated Rs. 8,283-6-6, against Rs. 10,723-5-6 in 1886, and the closing balance at the end of 1887 was thus Rs. 216-14-4.

2. The loan balance at the credit of the fund on the 31st December 1886 was Rs. 11,164-6-4, the discrepancy noted in paragraph 2 of G.O., dated 14th March 1887, No. 387, having been explained, in the President's letter recorded in G.O., dated 19th April 1887, No. 579, to be due to the transfer to the loan account of a sum of Rs. 148-13-4 due to the fund as interest. New loans to the extent of Rs. 6,262-2-0 were issued during the year under review, while the repayments amounted to Rs. 5,679-11-4. The loan balance at the close of the year would thus be Rs. 11,736-13-0, whereas, in paragraph 2 of the President's present letter, it is stated at Rs. 11,843-13-4. It should be explained whether this difference is due to the same cause.

3. The total assets of the fund, including loans and interest outstanding, amounted to Rs. 12,255 at the close of 1887, against Rs. 12,161 on the 31st December 1886. The liabilities amounted to Rs. 130.

4. Of the twenty-six widows borne on the fund, two died during the year, leaving twenty-four on the roll. The number of orphans on the 31st December 1886 was given as five, and at the end of 1887 at six. It is presumed that there was an admission during the year.

5. The subscribing members, five in number, were the same as in 1886, and it is not understood therefore why their subscriptions should have fallen from Rs. 54 to Rs. 43. The Government note with pleasure the increase in the amount subscribed by the outside public, which has risen from Rs. 112 to Rs. 281.

6. The payment of the full Government grant of Rs. 300 to the institution is sanctioned, the total amount of private subscriptions being in excess of this sum.

I have the honor to forward herewith a statement of the accounts of the Bangalore Pensioners' Widows' and Orphans' Fund for the year ending 31st December 1888.

2. The assets of the fund on that date amounted to Rs. 12,381-8-2, with a liability of Rs. 137, viz., loans on mortgages, Rs. 11,823-15-5; outstanding interest, Rs. 159-1-6; and a cash balance, Rs. 398-6-3. Compared with the assets of 1887, the capital has increased Rs. 126-8-2.

ORDER—dated 29th January 1889, No. 96, Public.

The accounts of the Bangalore Pensioners' Widows' and Orphans' Fund for the year 1888, furnished with the foregoing letter, show that the receipts during the year amounted to Rs. 6,131-7-11, against Rs. 7,711-15-10 of the previous year. Including the balance (Rs. 216-14-4) with which the year opened, the total receipts amounted to Rs. 6,348-6-3. The expenditure aggregated Rs. 5,950, against Rs. 8,283-6-6 in 1887, and the year thus closed with a balance of Rs. 398-6-3.

2. The loan balance at the credit of the fund on the 31st December 1887, including a sum of Rs. 107 due as interest, was Rs. 11,843-13-4. New loans to the extent of Rs. 4,033-11-0 were issued during the year under review and the repayments amounted to Rs. 4,426-8-6. The loan balance at the end of the year would thus be Rs. 11,450-15-10. The difference between this amount and that stated in paragraph 2, viz., Rs. 11,823-15-5, which probably arises from arrears of interest being carried to the credit of the loan account, should have been explained.

3. The total assets of the fund, including loans and interest outstanding, amounted to Rs. 12,381 at the close of 1888, against Rs. 12,255 on the 31st December 1887. The liabilities amounted to Rs. 137.

4. Of the 24 widows borne on the fund on the 1st January 1888, three died during the year, and there was one admission, leaving 22 on the rolls on the 31st December. The number of orphans was 4, one having been struck off on attaining the age of 16.

5. The death of one of the subscribing members has reduced the number of these from five to four.

6. The payment of the full Government grant of Rupees 300 to the institution is sanctioned, the total amount of private subscriptions being in excess of this sum. The continued increase in the amount subscribed by the outside public is satisfactory.

ORDER—dated 21st February 1890, No. 134, Public.

The Bangalore Pensioners' Widows' and Orphans' Fund commenced the year 1889 with a cash balance of Rs. 398-6-3. The total receipts during the year amounted to Rs. 5,805-3-9, and the expenditure to Rs. 4,836-10-3, leaving thus a closing balance in cash of Rs. 1,366-15-9.

2. According to the accounts reviewed in G.O. dated 29th January 1889, No. 96, Public, the loan balance at the credit of the fund on the 31st December 1888 was Rs. 11,450-15-10; of this Rs. 4,148-1-0 was repaid during the year, while new loans to the extent of Rs. 2,793-12-3 were issued. The loan balance at the credit of the fund on the 31st December 1889 would thus be Rs. 10,096-11-1 instead of Rupees 10,695-2-7, as stated in paragraph 2 of the President's letter. It is presumed that this difference is due to the transfer to the loan account of arrears of interest as surmised when similar discrepancies were pointed out in the accounts of the past two years. The President should report on this point.

3. Including loans and outstanding interest, the total assets of the fund, as stated by the President, amounted to Rs. 12,317-14-9 at the close of 1889, against Rupees 12,228-10-3 on the 31st December 1888, and Rs. 12,255 on the same date in 1887. The balance in favor of the fund was Rs. 79-4-6.

4. The number of subscribing members to the fund has been reduced from 4 to 3, apparently by the death of one member. The amount subscribed by the members is not reported; on the contrary the President's letter shows that the full amount of subscriptions was received from the general public.

5. In the report for 1888, it was stated that there were 22 widows and 4 children in receipt of pensions from the fund at the close of that year. Two widows are reported to have died during 1889, and as at the end of the year there were 21 widows and 6 children on the books, it is presumed that by the death of one of the subscribers, one widow and two children were added to the list of pensioners.

6. As the sum of Rs. 1,366-15-9 was paid for the payment of the full Government grant of that amount.
