Read—the following paper:—

From Messrs. BEGG DUNLOP & Co., Secretaries, Tea Districts Labour Supply Association, Calcutta, to the Chief Secretary to the Government of Madras, dated 6th February 1890.

When the district of Ganjam was thrown open as a field for the recruitment of coolies for the tea districts of Bengal, an agent was sent down by this association to Gopalpur for the purpose of procuring coolies under the Madras Act No. V of 1884.

Our agent now informs us that instructions have been issued for all coolies to be registered at Chatrapur, a distance of thirteen miles from Gopalpur, the port of embarkation, thus entailing hardship on the coolies and unnecessary trouble and expense in carrying on the work, as registration can be more conveniently done at Gopalpur, where there is also a medical officer available by whom the emigrants can be examined. We now beg to bring the matter to your attention and trust the Madras Government may see their way to authorize the registration of intending emigrants at Gopalpur, the port at which they have to embark for Calcutta.

LETTER—to Messrs. BEGG DUNLOP & Co., Secretaries, Tea Districts Labour Supply Association, Calcutta, No. 115, Public, dated 24th February 1890.

With reference to your letter of the 6th instant, I am directed to inform you that the following officials have been appointed Protectors of Labourers for the district of Ganjam:—

The Collector		At Chatrapur.
The Senior Assistant Collector		At Berhampur.
The Treasury Deputy Collector		At Chatrapur.

As there is a commissioned medical officer at Berhampur, coolies can be registered there as well as at Chatrapur.

2. I am to say that the Government of Madras does not see its way to the appointment of a Protector at Gopalpur.

Emigration to Assam.

Intimating to the Secretaries, Tea Districts Labour Supply Association at Calcutta, that Government does not see its way to the appointment of a Protector of Labourers at Gopalpur.

PUBLIC DEPARTMENT.

READ—the following paper:—

From Messrs. BEGG DUNLOP & Co., Secretaries, Tea Districts Labour Supply Association, Calcutta, to the Chief Secretary to the Government of Madras, dated 6th February 1890.

When the district of Ganjam was thrown open as a field for the recruitment of coolies for the tea districts of Bengal, an agent was sent down by this association to Gopalpur for the purpose of procuring coolies under the Madras Act No. V of 1882. Our agent now informs us that instructions have been issued for all coolies to be registered at Chatrapur, a distance of thirteen miles from Gopalpur, the port of embarkation, thus entailing hardship on the coolies and unnecessary trouble and expense in carrying on the work, as registration can be more conveniently done at Gopalpur, where there is also a medical officer available by whom the emigrants can be examined. We now beg to bring the matter to your attention and trust that the Madras Government may see their way to authorize the registration of intending emigrants at Gopalpur, the port at which they have to embark for Calcutta.

LETTER—to Messrs. BEGG DUNLOP & Co., Secretaries, Tea Districts Labour Supply Association, Calcutta, No. 145, Public, dated 24th February 1890.

With reference to your letter of the 6th instant, I am directed to inform you that the following officials have been appointed Protectors of Labourers for the district of Ganjam:—

The Collector		At Chatrapur.
The Senior Assistant Collector		At Berhampur.
The Treasury Deputy Collector		At Chatrapur.

As there is a commissioned medical officer at Berhampur, coolies can be registered there as well as at Chatrapur.

2. I am to say that the Government of Madras does not see its way to the appointment of a Protector at Gopalpur.
