To

The Most Honorable

The Marquis of Salisbury, K. G.

My Lord Marquis,

I have the honor to acknowledge the receipt of Sir J. H. Sanderson's despatch No. 11, dated August 27th, and its enclosures. In reply to the concluding paragraph of the despatch, I beg to inform your Lordship that every possible effort has been made to repatriate the remaining Indian Immigrants from Cayenne without avail, as the majority of them have families in the colony and their children educated in the French Schools are settled in the colony, know nothing of India and do not speak the native languages: at the most I do not expect anything more than perhaps

or 4 hundred will ever leave India.

The Government of Bengal concludes that the colony prolongs the period of the stay in the colony of Immigrants, basing their opinion on the fact that 66 Immigrants term of Indenture was not completed at the time of my report.

These 66 I beg to report, consist of labourers who have re-engaged for a third time and some for the fourth, and others are children who came over under age and were indentured on coming of age.

I believe nearly the whole of these Immigrants indentures expire this year.

I have, &c.
