2. The Christmas holidays
interfered with work, and
owing to the late date at
which figures could be got

Arrangements are being made
to find the original
proceedings (copies of
which are entered in the
volumes) from injury, by
some hands, & in the
case of the volumes them-
selves, by stout antelopes.

There are no original
proceedings (not in volume)
earlier than the middle
of last century, & the
oldest & most valuable
records (from one point
of view) are in the shape
of volumes mostly in
very good preservation.
The climate is not like
that of Banbury, for instance,
and vermin do not attack
the dry paper or the
withered leather of
the old books.

It should be added that, even
with a few exceptions,
the vols. of consultations
in the eighteenth century
are prefaced by very
fair indexes.
