File of reports showing the number of passports granted to pilgrims proceeding to Arabia during the season ending 30th September 1889.

Extract paragraph 2 of a letter from the District Magistrate of Tanjore, dated 11th October 1889, No. 1784.

Para. 2. I may, however, in this connection (grant of passports), bring to the notice of Government the experiences, as reported, of the Tahsildar of Tiruturaipundi, Mr. Mir Abbas Ali, while proceeding to Hedjaz last year under a passport granted to him on 22nd September 1888 by the Sub-Divisional officer of Mannargudi. The passports granted here seem to be little regarded by the Turkish authorities, and to afford but little protection against the evils the pilgrims have to contend with there. There appears then to be, besides a fee of 1 rupee to be paid by the pilgrims at the first port of embarkation on showing the passports, the expense they are put to in the shape of an extra fee of 6 annas levied at every other port that they touch before reaching Hedjaz. This is said to be very hard upon poor pilgrims, and the possession of a passport is not attended with any advantages.

ORDER—dated 3rd March 1890, No. 168, Public.

Recorded.

2. Passports were issued during the year under review in only three districts, but the total number issued was greater than in the two preceding years.

3. The seven passports issued in South Canara were applied for by Moplas resident in the taluk of Kasaragod, and the decrease in the number issued is explained by the Collector to be due to the fact that in 1888 an unusual number of people proceeded to the Hedjaz to

attend a special festival celebrated in that season.

Sir,

Referring to the orders of Government
17th April 1883 No. 789 and noted in the margin, I
4th August 1884 No. 1718 have the honor to report
that during the season ending 30th September
1889, only seven passports were issued in this
district to pilgrims proceeding to the Hedjaz.
All these passports were as in the previous year
applied for by residents of a single Taluk in
(Kasaragod) and were obtained by Moplas, who are
to be found in greater number in that Taluk
than in any other part of the district. The decrease
as compared with the number of passports issued
in the previous year is attributed to an unusual
number of people having proceeded to the
Hedjaz to attend a special festival celebrated
there in that season.
