Order.

Rule 5 quoted by Mr. Welsh must be read with Rule 1. There is no probability of the Govt of India according permission to an officer to appear for a voluntary examⁿ in England if he has not first ascertained whether the Govt under which he is serving will have any objection to his being absent from his duties at the particular time. Nor is there any probability of the Supreme Govt giving the required permission several months before the examⁿ.

Mr Welsh has applied for 1 year & 5 mos leave in 1900. Aug. Paper put up 10.2.90. JG 11/2

inconvenient until some progress has been
made in the study of the languages and
obviously it is not worthwhile beginning
until permission has been obtained. I
particularly request that permission may
be given as soon as possible because last
month I learnt that a competent instructor
is available at Madras and the opportunity
may be lost if permission is not
soon given. If it is advisable that an
application for furlough should be sub-
mitted under Article 342 I request that
the fact may be intimated to me.
