Madras.

Dated Bhatrapur 13 February 1890.

Sir, With reference to your telegram
dated 5th instant, I have the honor that I
have instructed the Port Officer Gopalapur
to do the needful under the rules issued under
the Native Passenger Ships Act (F of 1887) for
purpose of inspection of vessels carrying passengers
with a view to the issue of a certificate of fitness
as required by Section 14 of Act (Madras) II of 1886

2. The other day some laborers had
to be shipped on S.S. Himalaya, as she had
no 'B' certificate issued to her before she
arrived in the Port of Gopalapur, the Port Officer
inspected the steamer and gave her the certificate.
for this purpose he engaged a boat. As it is
unlikely that similar cases will arise in future
I beg to be informed who should bear the boat
hire in such cases - whether the Government and/or
the company which engages laborers to work in
the tea gardens of Assam. Pending the orders of
Government I have instructed the Port Officer to
charge the boat hire to his Office contingencies.

I have the honor to be

Yours most obedient servant

No 900

 DEPARTMENT OF MARITIME

No recovery appears ever to have been made for duties performed under the Emigration Act on account of boat hire at Madras, as the Protector of Emigrants and the Government Surveyor have hitherto used one of the Govt boats. At Bopalpur no regular crew except a Hindal is maintained and when the Govt boat is used a crew has to be hired.

2. ^{and} submit that clause 5 of
Section 36 of the Indian Parts Act of
1889 does not appear to authorize
expenses connected with the duties
of Protection of Laborer being debited to
Funds.
