Sir, With reference to your

Telegram No. 162 dated
8th instant I am directed
to forward copies of the
letters marginally noted
from the Surg. Genl. and to ask
with Govt. No. 149 d/20.2.90. that a definite
from the Surg. Genl. ruling may
H.M.S. No. 555 d/6.2.90. be passed

as to who is to have charge
of the 15 per cent reserve re-
ferred to. It seems clear
to the Govt. of Madras
that the reserve should
be under the Military
Deptt but as ten of the
Milit. appts. are under
the Surg. General, who
has to keep them filled,
it is thought the sanct'd
reserve for that number
should be under his
orders.

2. Since the promulgation of the above circular the number of appointments under the Surgeon General Her Majesty's Forces has been reduced to 57. The 15 per cent reserve on this is 9 and 20 per cent war reserve on the total (66) is 13. so that the Military Department is in all entitled to 79 men, but the number now under its order is far in excess of this allotment.

Public Department

SIR,

With reference to para 2 of G. O. No. 78 Public dated the 4th instant, I have the honor to state for the information of Government that I am aware that the 15 per cent. reserve for temporary duties &c. sanctioned in clause 171 India Army Circular of 1887 is intended for military duties only, but all that I wished to point out in my former letter was that as the head of the Department I should keep all reserves under my orders and meet military requirements as they arise. In some cases the appointments sanctioned in the above

Medical Stores - 3	circular - wide list in the margin - are
Fort House Disp. - 1	not under the control of the Surgeon
Remount Depot Hosur - 1	General Her Majesty's Forces, and as

<u>Total 10</u>	when any of these appointments fall temporarily vacant it is necessary for me to be in a position to meet such emergencies.
