MARCH.

Registration of Coolies for Assam.

Declining, with remarks, to appoint the Principal Assistant Collector of Ganjam as — for the sub-division.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From J. G. HORSFALL, Esq., Collector of Ganjám, to the Chief Secretary to Government, dated Chatrapur, 27th February 1890, No. 1713.

I have the honour to state that there is no Protector in the sub-division to register coolies for Assam under Madras Act V of 1866 and it will be very difficult for the coolies of the south of the district to come to Berhampur or Chatrapur—a distance of nearly 110 miles—for registration. I request, therefore, that you will be good enough to appoint the Principal Assistant Collector of this district as Protector for the sub-division.

ORDER—No. 229, Public, dated 24th March 1890.

If coolies are registered by the Sub-Collector, it will be for embarkation at Calingapatam or Baruva. There is no officer at that port who can see to the embarkation arrangements, and it is therefore better that all coolies should embark at Gopalpur. If so, there is no hardship in requiring them to go to Berhampur for registration. The Collector's proposal is therefore negatived.
