Submitted to the H.M.
with reference to pre-
vious notes. The holding
of the land appears
to be unobjectionable.
The amount acquired
has steadily increased
year by year.

With reference to Mr.
Meyer's note dated 11th
Dec: 1889 it is submitted
that the ruling that
Civil Engineers of the
P.W.D. come within the
scope of para 2 of India's
letter in G.O. No 13808 16th
June 1885 does not affect
the case of an Honorary
Asst. Engineer. He is in
all respects treated as an
upper subordinate except
that his name is shown
in italics in the Gradation
List of officers. The ~~main~~
charge of P.W. Divisions
is always held by Executive
Engineers and the more
important Sub Divisions
are placed under Asst
Engineers
