Nº 203 With the Govt of Madrid
St. George 7th March 1890

From

C. Bidu Esq. M.B. F.E.
Surgon General with the
Government of Madrid.

To,
The Chief Secretary to Government
Public Department.

Sir,

With reference to L.O. Nº 900 of
11th November 1889, - I have the honor
to request the favor of a reconsideration
by His Excellency the Governor in Council
of the decision of Government regarding
the pay of this office manager.

2- In my former letter (Nº 203 of 13-7-89)
as - I was dealing with the general

question

area of management
my office establishment is was not
deemed necessary today much regarding
the claims of any particular member of
it. This I now regret, as I feel that,
by this omission the desert of the
managers were not put so strongly before
Government as they deserve.

3- The ground on which the refusal
of Government to increase the
manager's pay is based is the circum-
- stance of there being a Secretary to
conduct the business of the office, but
it must be respectfully pointed out that
the range of duty pertaining to the Secretary
in no way covers the field of the
manager's work. Owing to the frequent and
prolonged absence of the Surgeon General
from headquarters the duties of the
Secretary have become very responsible and
onerous, and but for the help received

from

from
- possible for one man to carry them on.
It thus happens that there is a vast
number of questions which must in the
first instance be dealt with by the
manager, and regarding which he must
draft replies and orders for approval. In
fact a great portion of his time is
occupied in this way, and he has moreover
to do in addition the work usually
assigned to an office manager. Con-
- sidering therefore the nature and extent
of the manager's duties and the present
market value of such ability and experience
as he possesses. I can conscientiously say
that in my opinion he is underpaid
with a salary of Rs 150 per mensem.

4- In Bombay the manager of the
Surgeon General's office although there is
a Secretary as in Madras, draws Rs 200 per
mensem, and in Bengal under like

conditions

now in my power.

and the second in the office Rs 300 per mensem. It has also to be pointed out that the manager in the Saurashtra Commissioner's office in Madras draws Rs 200 per mensem.

5- Ghulam Mahmud Sahib the present manager, is one of the very few mahomedans who have risen in the service solely by industry and ability. He was referred to by Surgeon General Forrist as well educated, industrious and intelligent, and he possesses an extensive knowledge of the history and records of the office. He has been a highly zealous and most useful servant of Government since he entered this office, and his services are yearly becoming more valuable. He also belongs to a very respectable mahomedan family, as his paternal great grandfather was Tipu Sultan's ambassador at the Court of Kabul, while his father was Deputy Secretary to a late Nawab of the

farwar.

(unofficial)
Secretary to the late Prince of Arakan. I mention these facts to show, that he has had force of character sufficient to set aside the prejudices which too often prevent persons of his class from qualifying for service under the English Government.

6- I would therefore respectfully urge that if Government is not prepared to raise the pay of the appointment, an increase of Rs 50 per mensem may be given to Ghulam Mahmud Sahib in the shape of a personal allowance which in my opinion he thoroughly deserves.

I have the honor to be,
Sir

Yours most obedt servant
