the Governor

SIR,

I have the honor to submit the accompanying Minute of a temporary appointment for the approval and sanction of the Right Honorable the Governor.

2. The circumstances under which this arrangement has become necessary are as follows:-

Brigade Surgeon W. S. Fox, Medical Examiner Madras and Bombay Circles, has returned from furlough and relieved Surgeon Major H. J. Hazlett who reverts to his own appointment as Surgeon 4th District Madras. Surgeon C. M. Thompson who was acting for Dr. Hazlett will have now to resume charge of his appointment as Secretary in this office from Surgeon F. C. Reeves. The latter officer should in the ordinary course of business proceed to Canada to join his appointment but

This cannot now be done as it is most probable that his services will again be required in this office about the 10th of next month, as Dr. Hazlett is likely to permanently succeed Dr. Fox whose tenure of service as Medical Examiner expires on the 13th proximo thereby necessitating Dr. Thompson taking over charge again of the 4th District and leaving a vacancy in this office.

SIR,

I have the honor to report for the information of Government that the Accountant General has refused to pass pay to Surgeon F. B. Reeves from 23rd Nov. to 25th December 1889 both inclusive - the period he was doing duty at the Lying-in Hospital Madras.

2. The circumstances under which Surgeon Reeves was detained in Madras instead of being allowed to proceed to join his appointment at Coacanada are fully explained in letter No. 347 of 23rd November last to the address of the Private Secretary and forwarded through you - a copy of which is herewith enclosed for the sake of easy reference.

3. He was subsequently posted to Buddalore where it was found out that there was no immediate prospect of his acting again as Secretary in my office.

s detention in M. has during
period mentioned above was solely
to public convenience and to avoid
unnecessary moves and public expense
request that under the provisions of
article 198 Civil Service Regulations it
may be treated as his joining time and
the Accountant General authorized to
pass his pay.

SIR,

With reference to your reference on N^o 442 of 1890, Public Department, dated the 21st February 1890, I have the honor to state that Mr. Reines cannot be considered to have been on special duty, if as a matter of fact he was not so. But, if Government be pleased to declare that he was deputed on special duty during the period in question, no objection will be raised on that score. Even in that case, however, he will not be entitled to draw more than the pay or salary which he would otherwise have drawn (which in this case is the unemployed pay of his rank), unless Government be pleased to sanction a deputation allowance under the Article already quoted, in consideration of the special work entailed upon him.

to whether his "grade pay" for the

Return, with the
 remark that it has been
 the practice in this, and
 it is believed in the

 unnecessary to the Civil
 Medical Department, any
 Officer who is not doing
 duty in a sanctioned
 Civil appointment, or has
 not been deputed on
 special duty (Civil Service
 Regulations, Article 94-199)
 and that Dr. Rivers' pay
 for December was accor-
 dingly discontinued on the
 ground that his grade
 pay for the time he was
 "doing duty" in Madras should
 be changed to the Milita-

In the absence, how-

 on the point, the change
 will have to be admitted,
