Sir,

I have the honor to request
that the Government will be pleased to exempt
G. C. Manickum Chetty from the age limit.
His age is 37; he passed the General Test and
Matriculation Examination in 1872. He was
Manager & Book-keeper in the Madras Muni-
cipal Office and left that office on com-
pensation pension on abolition of his ap-
pointment. He is one of considerable ex-
perience in office details in as much as he
rose from the lowest grade of clerkship and
possesses exceptional abilities of which
I have had personal experience for the
past 13 years. The testimonials he owns of
which a copy is enclosed speaks in high
terms of his capabilities for office manage-
ment. His entreatment in a new office

Yours
J. A. Jones
