10. I think the CP,
i.e., in fact - stand as
it is - should be an
official card of Madras
Town. The instant
one the Suppl. Army
clothing (if with a
thing is likely) & the
matter, and be referred
to us, then there will
be time enough to
come to the CP. to the
50 or 60 addresses
outside Madras Town.

As the duty of
Dept. I think the
order is meant to refer
to the Presidency Town. Very
often the word 'Presidency'
is loosely used for 'Madras' 1914. H.P.

For B.A.

I have made
as to the intent
the duty draft
would seem that
meaning is as explained
in the Pub. CP. - i.e. at
the Presidency = Madras
Town.

Very good.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Clothing—Menial Servants.

Read the following papers:—

No. 264. *From Colonel W. P. LATOUCHE, Superintendent, Army Clothing, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Madras, 12th December 1889, No. 160.*

* * * * *

2. Consequent on the recent amalgamation, the work at present is more than doubled, and what with that and the limited space for work and storage, it does not seem desirable that work of this nature should be undertaken till it is ascertained how far the present establishment, &c., is able to meet work for purely military purposes.

3. Should Government agree in this view, may I request that Public officers in the Presidency may be informed that the Clothing Department cannot, for some time at least, comply with indents for peons' belts and dresses.

No. 265. *From Colonel W. P. LATOUCHE, Superintendent, Army Clothing, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Madras, 8th March 1890, No. 229.*

I have the honor to request the favor of an early reply to the question raised in my letter No. 160, dated 12th December 1889, on the subject of the supply of peons' belts and table covers to the Public offices in the Presidency.

2. Under Proceedings of Government, No. 89, dated 9th January 1878, this department is not permitted to make provision in its annual home indents for materials for peons' belts or table covers, and accordingly demands for these have hitherto been met from surpluses when available in store.

3. Now that the department here is responsible for the clothing of two presidencies, all surpluses have to be most carefully worked and watched and cannot be depended on for issue, and as with the present limited establishment and accommodation available it is as much as the office factory and store can do to keep work current and to meet demands for purely military purposes, I trust Government will be pleased to direct that all Public offices in the Presidency make their own arrangements in future for the purchase and supply of peons' belts and table covers.

4. In the Bombay Presidency, all such demands are provided for by the Collector of Stationery in the Presidency town.
