Telegram for Colr Kurnool
@ 12 to min

On Friday a telegram came from Kurnool stating that sickness was prevalent & that a District Surgeon was wanted at once.

I was directed in Council to reply, stating that Kurnool could not have a District Surgeon till Dr. Hanning goes there in two days, & asking what the sickness was & what additional assistance was needed.

The reply is now come stating that the sickness is epidemic fever, & that 3 hospital assistants are wanted.

It is submitted that there has been nothing to show that Kurnool is worse off than other districts are or will

I 14/4
be now that influenza is
about. Perhaps a semi-official
letter might be sent, telling the
Govt so.

It is apparently only the influenza.
But if the Govt to the Surgeon
Genl. has any hospital assistants
to spare, I would like him send
a couple.
