From

Kurnool

To

The Chief Secretary to Government
Public Department
Stone House Hill

Sir,

I have the honor, with great deference, to urge the necessity for deputing a Commissioned Officer to the medical and Sanitary charge of this District.

2. The season through out the District, and more particularly in Kurnool town is abnormally unhealthy. Fever, complicated with bronchial and other affections, is largely prevalent, and there is an immense degree of suffering, not unattended

with mortality.

3. I would earnestly represent the hardship of leaving the District with the highest death rate of the Presidency in this state of destitution. Whatever other district may have to do without a medical officer, Kurnool ought surely to be the last so to suffer.

I have the honor to be

Sir

Your most obedient servant
