SIR,

I have the honor to request you will be
so good as to inform me what the S. P. M. Code
rules are in respect to lime-washing hospitals.
The Army regulations lay down that "Hospital
buildings used for accommodation of the sick
will be lime-washed twice a year, all other
hospital buildings once a year. When considered
necessary on sanitary grounds, all hospital
buildings will be lime-washed as often as
may be considered absolutely necessary."

Sir,

Enclosures.

In reply to your letter of the 11th inst. I have the honor to state that there are no rules in the P. W. book in respect to lime washing - ~~disinfectants~~. I believe that an order of Government has been issued about lime washing Military buildings according to the rules in force in the other two - ~~Presidencies~~ which with I presume he in due time he asked to the Govt. I have not received any orders on the subject

From

The Senior Medical Officer

To

The Secretary to the Surgeon General

SIR,

I have the honor to submit for the information of the Surgeon General a copy of the enclosed correspondence on the subject of lime washing the Hospitals. They suggest that the system applicable to the Military Hospitals, as laid down in para 623, Section VIII, Vol VI of the Army Regulations may be made applicable to Civil Hospitals. 2. As regards this hospital, where a bricklayer is employed to constantly wash the walls and their reach, I think once a year for lime washing by the M.D.W. would be sufficient and that the time fixed for the work should be during the hot weather, when tents can be pitched

25TH OCTOBER 1889, No. 30:9 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Dusi, 19th August 1889, No. 3360.

I have the honor to inquire whether there is any explicit order of Government or of the Government of India in the Military Works Department to the effect that all barracks and hospitals shall be lime-whited throughout inside twice a year, or whether the practice as in this Presidency is correct, viz., to limewash them throughout inside once a year and again whenever any particular room or even building may require to be limewashed a second or third time, &c., or as often as a medical certificate that the occurrence of an infectious disease in any such room or building supports such a repetition of this class of repairs.

2. As may be seen from a circular, No. 14, dated 11th December 1888, recently received from the Deputy Surgeon-General, Madras District, he says that the former practice is in force throughout the service, but I cannot find it so stated in the Public Works Code.

From Brigadier-General M. PROTHERCT, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 5th October 1889, No. 1138-A.

In returning the documents which accompanied Reference Order No. 5912, dated 29th August 1889, I am directed to state that His Excellency the Commander-in-Chief is of opinion that the rules in force both in Bengal and Bombay for limewashing military buildings might, with advantage, be introduced into this Presidency, and that the Surgeon-General, Her Majesty's Forces, to whom the question has been referred, concurs in this opinion.

2. The rules above quoted are to be found in Bengal Barrack Regulations, section 2, para. 90 (b) and in Bombay Barrack Regulations, section 2, para. 30 (b).

3. A copy of the circular referred to in the correspondence, herewith returned, as issued by the Deputy Surgeon-General, Madras District, is forwarded as requested. I am to remark that the attention of the Surgeon-General, Her Majesty's Forces, will be drawn to the fact that the Deputy Surgeon-General, Madras District, has required that all occupied barracks should be whitewashed twice each year, this not being provided for in the regulations.

No. 6835, Military.

Transferred, and the previous paper returned, to the Public Works Department.
FORT ST. GEORGE,
7th October 1889.

H. R. SHELLEY, Colonel,
for Secy. to Govt., Military Dept.

From the Quartermaster-General, dated Ootacamund, 18th October 1889, No. 1213 Barrack.

ENCLOSURE

Bengal Barrack Regulations, Section II, para. 30 (b).

90. The following are the principal periodical repairs which shall be made after the period specified in each case, unless, from the non-occupation of any building, from its unusual state of preservation, for the convenience of its occupants, or for any other special reason, the Executive Engineer may consider it advisable to postpone the repair.

(b). Internal whitewashing of all hospitals, guard-rooms, and congee-houses twice a year; also barracks, the walls of which are of sun-dried bricks or mud: pukka built barracks once a year, an additional coat to a height of 8 feet all round the lower portion of the walls being however, given in special cases, if required, during the interval between the annual washing soldiers' privies annually, and all other buildings when reported necessary.

ORDER—dated 28th October 1889, No. 2039 W., Public Works.

The Government agrees with His Excellency the Commander-in-Chief that it is desirable to adopt in the Madras Presidency the rules in force both in Bengal and Bombay for limewashing military buildings.

2. The necessary addition will be made to the Public Works Code.
