[Despatch Abstract.]

Sanctioning the arrangements reported by the Protector of Prisoners in his telegram of 30th April regarding the deportation of Mr. Victor Dumas & family to alluvial lands.

11/13/21
C. 12/21
To

His Excellency Lord Connemara
G. C. S. I. &c &c
Governor of Madras.

The humble
petition of
Victor Quinas.

Most Respectfully sheweth.

That Your Excellency's petitioner
is of French descent and was originally
a resident at Port Louis in the island
of Mauritius. About 22 years ago he left
Mauritius and came to Madras for the
purpose of bettering himself. In this city
Your Excellency's petitioner followed the
profession of a Veterinary Surgeon, and
with such considerable success that he was
even able to lay by some money, which
by speculation and by lending on in-
sufficient security he has entirely lost.
Your Excellency's petitioner was even employed
for some time by the British Government
at Barmah. but owing to ill health and
failing sight he was compelled to resign his
appointment. Your Excellency's petitioner, is

is now 71 years old, and almost blind, is
entirely without the means of support. He
has a wife and two children (girls) wholly
dependent on him. Your Excellency's petitioner
having no friends in this country, and
being too old to work is anxious to get
back to his country where he feels sure
he would find friends who might help
him with the means of support for him-
self and his unfortunate family. Your
Excellency's petitioner submitted a Memorial
to the Commissioner of Police of Madras praying
that he might exert his influence to find the
means to send your Excellency's petitioner
and his family to Mauritius in one of the
several emigrant ships that leave Madras
periodically for Mauritius - but that officer
expressed his inability to do so and referred
your Excellency's petitioner to the Emigration
Department. Your Excellency's petitioner then
submitted another Memorial to the Protector
of Emigrants. Even that officer has expressed
his inability to help your Excellency's petitioner.
In the straits in which your Excellency's
petitioner now finds himself he has taken
the liberty / for which he hopes he will be
pardoned / of addressing this Memorial
direct to Your Excellency who, he feels
assured, will not turn a deaf ear to the
prayer of a poor and unfortunate old man,
a stranger, and one in sore distress. Your
Excellency's

21099
Your Excellency's petitioner humbly prays that
he and his family may be sent to Mauritius
in one of the cool ships that proceed thither
from Madras. The cost, Your Excellency's
petitioner respectfully submits, will be very
trifling. The accommodation that the coolies
get and the food that is dealt out to them
will more than suffice your Excellency's
petitioner and his family. All that he asks
is, that he may once more see his native land.
Your Excellency's petitioner therefore prays
that your Excellency will kindly take his
sad case into consideration, and out of the
abundant goodness of your Excellency's heart
direct that the relief prayed for may be
granted. For which Act of Kindness as
in duty bound your Excellency's petitioner
will ever pray.

Victor Dumas,

Sir,

I have the honour to return

submit thereon the following
Report.

Victor Dumas.

"Victor Dumas applied to us on 1st
February 1890 to procure for him and his
family a free passage to the Mauritius
or if this was not possible, to afford him
some relief monthly from the "Poor Box".
As we were not in a position to do either

we suggested his applying to the
Emigration Agent.

He is a feeble old man and
almost blind, and has a wife, two
daughters and a grandchild dependent
on him. They are very poor and live by
begging. He has friends in the
Mauritius and thinks they will help
him if he can not get back again.
