Dear Sir,

It was the intention of the Editor of "Burdett's Hospital Annual" to have enclosed a set of papers relating to the National Pension Fund for Nurses, in each of the packets which I recently sent to you, containing The Annual. Unfortunately we were not able to do this, at the time, but I am now forwarding you 20 envelopes, each containing a complete set of National Pension Fund papers, and it is Mr Burdett's hope that you will be so kind as to allow these to be distributed among the 20 Institutions in India, to which the other packets were sent.

I need hardly refer to the importance of the Pension Fund, of which H.R.H. the Prince of Wales is President - because it is at the present time continually before the public, large sums being subscribed for the new bonus fund. It is with
Yours Esqre,

• a view to enabling all engaged in Hospital work in India to join and reap the benefits of the Pension Fund that Mr Burdett is taking such active steps to distribute papers connected with it.

Thanking you exceedingly in anticipation and regretting much that we have to send these papers separately.

I am, etc,

(signed) D. Charnies
Manager & Secretary.
