To
The Chief Secretary
to Government
Madras
Autacammund

Sir

As Government in their Order
No 82 Public dated 2 February 90
Para 9 express a wish to receive a full
report as early as possible of what
the Directors have done and what
they contemplate doing in future
in connection with projects for en-
larging the Press; I am instructed
to state that for the following reasons
the Government Directors fear that
they will scarcely be able to submit
a full and satisfactory report before
the end of July for the following reasons
1. The Statistical Statements

necessary to elucidate their report
could only be put in hand after
the accounts of the Head Office
and Branch for the past year
were closed: Their readiness
for Audit was reported to
the Accountant General
on the 28th April 1890.

2. The Order of Government
No. 2444 of the 2nd April 90
which will have a very dis-
turbng effect on the forecast
estimate of future outturn
and expenditure, has only
just been received.

3. The Secretary has been
advised to take a sea voyage
to shake off the after effects
of a severe attack of influenza
and start for Australia on
the 4th instant, returning in
two months.

Trusting that the above will be
accepted as sufficient explanation of
the possible delay in submitting the
report called for.

I have the honor to be
