ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

*The Chief Secretary to Government
Public Department.*

SIR,

I have the honor to report that, on receipt from the Surgeon General with the Government of Madras, of a copy of G. O. No. 132, Public, dated 20th February 1890 together with the bill therein attached to, I addressed the Assistant to the Resident in Mysore regarding the travelling expenses of the Bangalore Police Constable who accompanied the *leper* to Madras, which were included in the bill, as, under Article 1294 of the Civil Service Regulations, the travelling allowance of an officer on whatever duty he may be employed, is charged to the same head as his pay.

The Resident in reply states that as the Madras Government undertook to bear the expenses of the *leper's* removal, and as his removal involved the attendance of a Police Constable, the travelling expenses and *board* of the latter form *part* of the

The Govt. agreed to accept the
Lep's transportation charges as he was
stated to be a native of this Presidency.
The Bangalore Police constable who accompanied
him possesses no similar claims on this
Govt. In the interests of sanitation or the
general public safety of his own station
the Resident might depute his police
men on hundreds of occasions within the
limits of the Madras Presidency, but it
does not follow that Provincial funds
should pay the Constables' travelling
and other expenses in all such
cases.

There seems no reason why the charges
should not be accepted. The const
charges on account of the constables
who accompanied Lep's was a legitimate
item of the transportation charges. The
Government could not go alone. The expenses
in the last appears to be to the Resident.
In each case is being taken to
occur. He will be time enough to
argue when it does.
