From

Madras

The Honorable J. Price,
Chief Secretary to
Government
Madras

Sir,

With reference to this office letter dated 3rd October 1888, no. 49 in connection with the treasure found in Rajagambhiram village, I have the honor to report that on the day fixed for the appearance of the persons laying claim to the same, neither the finder nor any other claimants appeared and I decided under the circumstances of the case that the treasure be placed at the disposal of Government.

2. The broken brass vessels & 2 other trifling articles, I ordered to be sold at a public auction & the proceeds

thereof have been credited to government. The remaining article is a copper image, valued at Rs. 3 and I think this may be a useful ornament to the Victoria Jubilee Museum at Madras which is to be started this year and I recommend that the Government may be pleased to sanction the presentation of the same to it.

I have the honor to be
Sir

your most obedient servant

J. Munro
