Through the Collector of North Arcot

Sir,

I have the honor to state that I
was transferred to this district
from Kistna on the 17th January
1891 to complete my training. Some
time after I joined the District I was
attached with force which from what
I heard at the end of March last, I was
obliged to return to Hyderabad on
leave, on the advice given by the
Civil Surgeon here for reasons
from the sickness. The Civil Surgeon
advised me to leave my
duties. I had a return
on the 14th instant and I am
at the present in the hospital.

...the little health the
remains in an already weakened
frame. I am now worse than
ever in health and have no hope
of being free from the fever, while
I remain here, in this District,
the climate of which does not
at all agree with my Constitution.
The Civil Surgeon, Chittoor, who
attends on me is of the same opinion
and has given me a Medical
Certificate as to the present state
of my health and as to the ad-
visability of a change to a cooler
climate. If deemed necessary, a
reference may be made to that
Officer.

2. I have, therefore, the honor to
request that you will be good
enough to obtain the sanction
of Government for my transfer
to an healthier and colder
District. The sooner I am trans-
ferred, the greater will be the good
done to my health, as I am

every day feeling very much
in my health.

Submitted. To Combr Chittoor is
most unhealthy. The Civil
Surgeon has had fever badly: his
wife has had to leave on account
of it. The European midwife & her
child & the Railway Engineer's wife
have all had it badly. The child of
my butler has died of it. My butler
& several of the servants have been
completely prostrated with it. I
have lately had to get 3 new ser-
vants from Madras on this account.
The Government house in which
I live ought to be condemned as
unfit for habitation. There are only
two houses in Chittoor in which it is
safe to live.
