No. 55.
From

The President,
Managing Committee,
Government Work House,
Madras.

To
The Chief Secretary to Government
with the Governor
Stonehouse Hill

Sir,
I have the honor, on behalf of the Committee of Management of the Government Workhouse, to request sanction for the deportation, as a special case, of vagrant John Dunn to England, under the provisions of the European Vagrancy Act.
2. John Dunn of Birmingham, aged 43 years, is a ship's fireman by calling. He has been in failing health during the past 15 months and was treated in the Hospitals at New Zealand, Sydney, Singapore, Rangoon, Mandalay, Calcutta, and Madras, without any apparent benefit. He has been an inpatient of the Madras General Hospital since the 9th March 1890, and while an inmate of that institution he obtained a few hours leave on the 22nd instant, to see the Magistrate. Having done so, he was declared a vagrant and sent to the Government Workhouse. On the following

Seaman Dunn is recommended a change to England. He is never likely to recover completely in this country.

for treatment, pending the orders of Govern-
ment as to his disposal. The Senior Phy-
sician of the General Hospital, has given
him a certificate (Copy attached) in which
he recommends that Dunn be sent to
England, as the man is never likely to re-
cover completely in this country.

ration made by Dunn, before the Magis-
trate.

Declaration, Vagrancy Act (1874)

Whereas John Dunn, a person of European
extraction, has appeared before me the
undersigned Presidency Magistrate
and Justice of the Peace; and whereas
on a summary inquiry into the circum-
stances and character of the said John
Dunn, it has been ascertained that he
was born in Birmingham, England on
the 10th June 1847. He is a Seaman by calling,
but was obliged to give up a seafaring life
on

on account of deafness from Cold and exposure
in the Caroline Group in the South Pacific. The
was about 1883. He then started trading in Co-
coanuts in the South Pacific Islands.
His business did not fail, but on account of
an attack of bronchitis he left these islands
for the Fiji Islands and thence for New
Zealand in search of treatment. Not
getting rid of his bronchitis he sought change
of air and went to Singapore last year
and then to Burmah in the hope of finding
work at the Ruby Mines. His health however
completely failed and he was obliged to go
on to Calcutta for treatment. He was under
treatment in Calcutta for three months. He
was advised to try change of climate again.
He came to Madras on the 9th March 1890 and
was obliged to go into Hospital here. He is
better now but still not perfectly well. The
Doctors have advised his going to England
immediately. He has no friends nor relatives
in India and is without any means of sub-
sistence. He prays that an order may be
granted for his admission into the Government
Workhouse.

I do therefore hereby declare, under the
provisions of Section 5, Act 18 of 1874, that the said
John Dunn is a vagrant.
Given at Madras on this 3rd day of May 1890. W. M. Scharlieb
Presidency Magistrate
and Justice of the Peace
I, the within mentioned John Dunn do hereby
declare myself a vagrant.

Declared before me
W. M. Scharlieb
Presidency Magistrate

Sd/ John Dunn
