No. 418 - Fort St. George 14 May 1891

4/98  
From Mr. Surgeon General with Govt. of Madras, Madras  
Fort St. George

The Chief Secretary to Government  
Public Department

Sir,  
I have the honor to acknowledge the receipt of G. O. No. 328 dated the 2nd May 1891 sanctioning a local allowance of Rs. 30 per mensem to all civil apothecaries employed in the Presidency Hospitals Madras.

2. The Government however declines to extend this concession to the apothecaries attached to the Lunatic Asylum Madras as they do not receive the "Asylum allowance" of Rs. 129<sup>th</sup> sanctioned in G. O. No. 129<sup>th</sup>

1454

not that the duty in the Madras  
 Asylum is of a more arduous and responsible  
 nature than in the other Presidency  
 Hospitals. Moreover the apothecaries  
 attached to it are practically debarred  
 the privilege of private practice as they  
 must live in the asylum and cannot  
 leave it on any account without the  
 previous permission of the Superintendent.  
 So that in my opinion they are not  
 entitled to the same remuneration  
 sanctioned by Government as is  
 what they receive. They are also  
 debarred from the private practice  
 which the apothecaries in the  
 other hospitals enjoy. They have the  
 Asylum allowance  
 together with the staff allowance of Rs. 30.  
 I have the honor to be

Your obedient servant
