Nature of phrases to be inserted in the Word Code for Foreign State Telegrams.

Read—letter No. 508 T., dated the 26th February 1890, from the Director-General of Telegraphs in India, asking whether every addition asked for by any Government Department for incorporation in the Word Code for Foreign State telegrams is to be codified, or whether he may use his direction in restricting or modifying such proposals.

Resolution—The Government of India is pleased to confer on the Director-General of Telegraphs the discretionary powers for which he asks ; but if it is decided not to accept suggestions for new code words made by any department of the Government of India, or by Heads of Departments under the Government of India, the department interested will be at once informed of the fact. The Government of India further desires that proposals for additions to the Word Code may be limited to new phrases of frequent occurrence.

The lists of addenda and corrigenda to the code will in future be issued half-yearly.
