GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From Revd. W. PARNELL, Missionary, to His Excellency the Governor in Council, Madras, dated Narsaraopet, Kistna district, 10th June 1890.

I herewith return the marriage license which you kindly sent to Kalva Isaac on 6th June 1889. He has left this Mission, and is now cultivating his lands; consequently, he does not require it.

ORDER—dated 28th July 1890, No. 547, Public.

Under the provisions of section 9 of the Indian Christian Marriage Act (XV of 1872), and with reference to Public Department Notification, No. 280, published at page 427 of the *Fort St. George Gazette* of the 2nd July 1889, His Excellency the Governor in Council hereby revokes the license, issued to Kalva Isaac, of the American Baptist Mission, Narsaraopet, Kistna district, to grant certificates of marriage between Native Christians.

2. An instance of this kind leads to doubt whether proper inquiries are always instituted by the District Magistrate. The number of licensees of any one sect within a circumscribed area should be limited.

3. In future, the District Magistrate will invariably report whether he has satisfied himself that there is proved necessity the grant of a license, and inquiries should be made in order to ascertain how many the persons licensed within the last ten years are still trusted Agents of the den ions to which they belonged when the licenses were granted.

there were 3431 Baptists (of all kinds, altho it is known that these American Baptists predominate in the [unclear] districts) in [unclear] it was improbable that in [unclear] there [unclear] as many as 4276 in 1883. And even if there were so many, [unclear] licenses for so small an area [unclear] quite unnecessary. License should be given with discretion, & after careful enquiry.
 (2) By the signature of R.E. the Governor in such cases is quite uncalled for. The Local Govt gives the license & a Secretary should sign. It seems that R.E. the Govt. at present is asked to sign under §86 & 9, while Secy. signs under §7. [unclear] [unclear]

the framers of the Act XV of 1872 [unclear] had in view the revocation of license when a licensee became unfit to exercise his powers, but it may be so here. The collector of preachers who has gone back to his agricultural pursuits may [unclear] have gone back to his old creed, for aught Govt. knows. The mere recording of the returned certificate & the covering letter from American Baptist Missionary [unclear] is it is submitted, insufficient. The license should be formally revoked, & it was formally notified in the [unclear] St. George Gazette.

~~Intention of [unclear]~~
 Unless this is done, the powers granted by notification remain with the person named, & it may be improper that they should.

Two points are suggested by these papers:-
 (1) The lack of care exercised in such matters by D. M.'s. It is thought that the D. M. District, should have been more cautious in sending [unclear] the applicat of May 3rd 1883, [unclear] the Census of [unclear]

From The Rev. Wm. Powell

For orders

As to whether any
normal revocation is necessary
in such cases, Section 9 of Act
IV of 1872 apparently contemplates

Such procedure only in cases where
the license has to be withdrawn
owing to some fault of the licensee
g. when he ceases to be a Christian

or to belong to a particular
mission (G.O. of 22-1-89). In the
present case, the man is going away
to cultivate his lands and has
his license. It would probably
be enough to revoke it.

It is proposed that to the Rev. Wm. Powell
