To the Board of Revenue (Land Revenue).

RESOLUTION—dated 12th July 1890, No. 416.

In accordance with the opinion expressed in Government Reference, dated 30th
June 1890, the submission of these reports to Government will be discontinued.

2. The Board, however, observes that there is no need for the details of the
Treasury balance or amount of the cash balance being reported to it. All that it is
necessary for the Board to receive is an intimation of the transfer of charge.

3. Collectors will accordingly be informed that the reports of transfer of charge submitted by them to the Board should in future contain only the date of transfer.

4. These instructions of course do not affect the submission of the prescribed detailed report to the Accountant-General.

Note The details of Cash Balances in the Treasury will now go only to the Act. & not apparently (please see form in Board's Pro. of 2. June 1890 No. 1874) The Board won't have the papers! The Resolution will do away with an useless number of "Lodged" papers that have hitherto encumbered the Records & it is submitted, is a move in the right direction saving needless labour in the Clerk's Office, the Board's office & the Secretariat.

25/7. It should have been stopped years ago by the Board. But no reform tending to economise labour has ever been initiated in that office, which is responsible for most of the unnecessary quelling being throughout South India.
