It is proposed to telegraph to P. P. O.

"Have you any objection to Hamilton of Gopalpore being appointed Protector of laborers at that port under Act V of 1866 the Labor Contracts Act?"

The Coll. was appt. by the Govt. for the District by G.O. 913 dt 13.11.89 but it is presumed Mr. Hamilton's powers will be confined to Gopalpore vide Section 3 of the Act. However, Section 15 of the Act and para 3 of G.O. 1206 dated 22.11.66 it would appear that no allowance is attached to the appointment. Should not Mr. Hamilton therefore be referred to before he is appointed? P. P. O. has recently remarked on the low rate of salaries drawn by Port Officers with reference to the duties they perform & positions they hold.

If the appointment
of Hamilton is con-
sidered necessary, and
there seems no doubt
it would greatly facili-
tate and expedite the
work of recruitment.
The Government would be
confined to the limits of
the Act, and act re-
sponsibly. The Act
para: 3 of 4 of 1891
x1. 1896 provides for
the appointment of
an officer, and
doubtless the appoi-
ntment would throw
able to the work
of Hamilton in
be allowed to accept
personal fees from
contractors up to a
maximum of say 5
rupees a month. It is
that would not be
an altogether satis-
factory arrange-
ment may be appoin-
ed on an allowance
to be fixed hereafter

when the Govt is in
possession of infor-
mation as to the probable
amount of fees that
will be received per man
under the Act?

Should either of the
above suggestions be
approved the case might
be met by slightly in-
creasing the personal
allowance the Post Offr. is
to get to compensate him
for the loss of half his
overtime fees.
The personal allowance
is to be attached to the
