Office of Surgeon-General

With the Government of Madras,
Fort St. George, August 1890.

From

The Surgeon-General with the
Government of Madras,

To

The Chief Secretary to Government
Public Department.

Sir,

At the instance of the Senior Medical Officer General Hospital, I have the honor to request the sanction of Government to the pay of the Carpenter on the permanent Establishment of the hospital being raised from Rs 10 to Rs 14 per mensem to enable the Hospital authorities to secure the services of a competent workman.

2. The rate of pay at present allowed is not sufficient to attract even an ordinary Carpenter and, I am informed that in consequence of this difficulty it has been the practice in the hospital for the Steward to pay a couple of rupees from his own pocket to the Carpenter in addition to his pay - a very objectionable system in my opinion.

3. It will be seen from the enclosed copy of a letter from the Superintendent Gun Carriage Factory.

on a monthly pay of Rs. 15, respectively -
thus the pay of the last year there is 2 Rs.
more than that allowed by Government
to the carpenter of the General Hospital.
4. As it is very necessary to have a good
workman employed in the General Hospi-
tal, I solicit the sanction of Government
to the increase of pay asked for.

5. A proposition statement is enclosed.

I have the honor to be
Sir

Your most Obedt. Servant

W. S. Subbarao
