With reference to the remarks by H. M. S. on the enclosed papers. please let me know what the expression "monthly paid workmen" means.

I read it myself in the same way as the Hon. Mr. Fraser, & concluded that the "Maistries" were also temporarily engaged

3. There is much to be said on both sides; but if the later order is to be maintained in the case of ordinary executive or clerical "deputies" of Govt. it should be ordered, it is thought, in regard to such persons as the Govt. Dept. is to be related to.

The statement by the M.D.'s expression "monthly paid workmen"? Every one is paid monthly - are the temporary workmen? There is my exception made it must, I think, have of general application on the basis of salary, but this is not the case for the workmen in 1885 which was not. As the statement about the workmen is not the provision of the 6th of the D.O. Code.

I suppose he refers to workmen employed temporarily & paid monthly wages & if so the rule might be relaxed as regards them

C. No. 1724, Public.

For orders.

Para: 684 of the Public
Works Code runs as follows:-

" Government servants who have recourse
to the law for the relief of insolvent
debtors, will, without exception, be sus-
pended, their pay for the period of
suspension being regulated by the rules
laid down in paras: 512-518. Each
case will, on adjudication by the Court,
be reported for the orders of the Government,
a copy of the Court's decision being sub-
mitted at the same time."

In G.O. No. 472 of 30 June,
1882, it was ruled that
"public servants receiving
salaries of, or under, 20
rupees per mensem should
be exempted from the
operation of the above"
the general rule.

This decision was, however,
cancelled in G.O. No. 2679
of 17 Nov. 1885, under
instructions from Madras.
