BRICKHILL HOUSE,

13th June 1890

My Lord.

Although I have already
written to Mr. Welch asking him
to inform the Gov^t of my intention
to retire from the Service, I feel that
I ought to inform Your Lordship
that I have applied to the Sec^y of
State for permission to retire on
the 24th July 1900, when, being 55 years
old, I shall be unfit for further

employment in India.

I own to feeling great regret at being obliged to sever my connection with India, but I have always considered the 55 years rule a good one for the Country, and I have no right to refuse, as the Country has treated me well, and the honors I have received in the Service are more than I have deserved.

I am however conscious of having done my best, according to my lights,

for the Government Service, and the kind appreciation of my latest endeavours which Your Lordship has expressed is a great pleasure to me.

In consequence, no doubt, of Your Lordship's flattering testimonial, Mr. Ritchie has appointed me temporarily as Engineering Inspector to the Local Govt Board. and as it has been my good fortune to satisfy the authorities there, I think it probable my employment may continue for a time.

I beg to thank Your Lordship most heartily for all the kindness & official

and now afford which I have re-
ceived at your Lordships hands
and to remain

Your Lordships most obedient

John Astle.
