It will therefore be seen that the accommodation available for in-patients in the District has not been fully reported to the Surgeon-General. It is now fifteen months since the Assistant Surgeon was appointed to act as District Surgeon and no Assistant Surgeon was appointed. The acting District Surgeon has in consequence been unable to make any inspections of the Dispensaries and is therefore liable to such mistakes.

Sir,

In reference to G.O. No. 2819 L
2.12.89

remarking on the want of hospitals providing accommodation for in-patients in this District I have the honor to report as follows:-

The Presidents of the Taluk Boards of (1) Proddatur and Puttur, (2) Madanapalle and Kadiri, and (3) Sidhambam and Bellamkonda agree in reporting that emergency cases are freely admitted as in-patients in the dispensaries under their control - vide copies

for 1888-89 show that 8-5-21 in-patients were treated in the dispensaries at Kadiri, Sidhambam, and Bellamkonda respectively.

As regards accommodation for in-patients the District Medical and Sanitary Officer reports that there is no accommodation in the L. Z. Dispensary Bellamkonda.

I have

District Surgeon
for Bellamkonda

messeb, I have the honor to
submit herewith extracts from
Madanapalle and Kadiri Taluk
Boards resolutions nos. $\frac{6}{17.2.90}$ & $\frac{6}{24.2.90}$
respectively on the subject.

I beg to inform you that
urgent cases were taken as
In-patients in all the Dispensaries
in the Sub-Division and Small
Sums were provided in the
annual Budgets for meeting
the Dicting charges of such In-
patients.

President, Taluk Board, Siddhant &

Board, Coimbatore.

With reference to your forer note
no. 166
dated the 23rd ultimus, I
have the honor to state that if
every minor dispensary were
provided with a couple of cots
or so, with sufficient bedding, and
a spare room for inpatients, it
would, in my opinion, answer
the intended purpose. This
much accommodation is now
made available in the dispen-
saries in this Division. Any
thing of a more expensive and
elaborate kind is not, I submit,
required for these outlying dis-
pensaries at any rate for the
