The Chief Secretary,
to the Government of Madras.

SIR,

I have the honour to request
that I might have the permission
of Government to dismiss from
C. Krishnasami Mudaliyar of this
Establishment for general inefficiency.

2:- His faults extend over a
considerable period. Some months
ago, several letters went amiss;
and, I found that this man had
carried one letter at least, in his
pocket for a week before delivering
it. His attendance is irregular;
and, when sent on messages, takes
an excessive time to deliver them.
