Revenue Department

Proceedings of the Madras Government.

Read again G. O., dated 22<sup>nd</sup> October 1888, No. 4705 requesting the Resident in Travancore and Cochin to forward for the information of Govt., the Cochin Commissioners Report to the Cochin Circuit, on the boundary dispute.

Read also the following:-

1. Endorsement of the Political Dept. dated 15<sup>th</sup> April 1889, transferring to the Revenue Dept. letter from the Resident in Travancore and Cochin, dated 15<sup>th</sup> April 1889, No. 40 admitting certain papers and the Cochin Commissioners' report regarding the boundary dispute between the Cochin Sikhs and the Colangode Namubidi.

2. Petition from V. Vengas Iyer, Pleader on behalf of the Valia Namubidi of Kollangode, Palghat Taluk, Co Malabar District, dated 16<sup>th</sup> July 1889, enclosing a printed copy of letter from the Dewan of Cochin to the Resident regarding the boundary dispute involving the jeenu right of Kollangode Namubidi for the tract.

Letter from the Examiner, Public Works Accounts, Madras, dated 17<sup>th</sup> Sept. 1889, No. 541 K., forwarding copies of Captain Horsley's letters, relating to boundary dispute.

Order thereon, 5<sup>th</sup> October 1889, No. 6353.

From the above papers it would appear that the Commissioners refused to go round the boundary specified in the Namubidi's Grandhavari, and that, therefore they did not in any way test its correctness. This should certainly have been done in as much as it is a matter of the greatest importance in considering the Namubidi's claim to see whether the limits specified in his boundary can be identified and to ascertain whether any stones

stones or other marks similar to those discovered by Mr. Silver in 1842 exist at any of the points named therein. Of such marks are forthcoming they will go far to establish the Nambidis contention. To admit of a decision being arrived at on the merits, it is essential that the Commissioners should go over the ground and endeavour to ascertain by actual inspection how far the limits specified in the Nambidis Grantthekani can be identified and what the boundaries according to the thekani will only be necessary at present to survey the line so far as will admit of its being marked with some degree of accuracy on the map. A survey with the prismatic compass will probably suffice for the purpose. The Superintendent, Revenue Survey, will depute a Surveyor for this duty.

2. The Cochin Government will be requested through the Resident to arrange to send a representative (Mr. Kohlhoff if possible) to meet the Assistant Collector of Malabar at an early date as possible.

3. It is stated by Mr. Dewar that no accounts are forthcoming to show whether there was ever filed in the Nambidis forests during the periods when they were leased to the British Govt. The Collector of Malabar is requested to have a careful search made among the records of his Office and report whether any such accounts are forthcoming and whether they show that any fellings took place within the disputed tract during the time the said forests were worked by the Bombay authorities and during the 2 years lease in Mr. Robinson's time.

4. In para 34 of the Nambidis comments Mr. Dewar's letter reference is made to a letter addressed to the Resident in Travancore and Cochin in 1839

our Agent for the Bombay Government in it appears to be stated that the Agamabai touches Travancore territory on the South. The letter which is dated the 9th November 1839 and is alleged to have been addressed to the then Resident in Cochin and Travancore by Mr. Edlin, Agent of the Bombay Government is not on the record, and application will be made to the Resident for a copy in the Political Dept. 5. The Board are requested to be informed for the information of Govt. the Nambidis petition addressed to them in 1854 objecting to the decision of Govt. regarding the settlement of the boundary between Coimbatore and Cochin and disposed of by their proceedings of the 17th September 1854.
