GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From H. HENDERSON, Esq., Chairman, Municipal Council, Chicacole, to the Chief Secretary to Government (through the Principal Assistant Collector), dated Chicacole, 22nd July 1890, No. 372.

Referring to G.O., dated 2nd May 1889, No. 391, Public, I have the honor to request I may be informed whether the term "Government Civil Hospital" includes "Police hospitals" also.

2. The question has arisen as a number of Government servants are treated here in the Municipal hospital and charged for the medicines, while a Police hospital exists in the town. If these officers are entitled to be treated in the Police hospital as a Government institution, they would, of course, receive their medicines gratuitously.

3. I would also beg to bring to notice that there is a large number of military details (men on sick leave, &c.,) in and about this town, all of whom apply for, and receive, treatment at the Municipal hospital at the expense of the Municipality, and request I may be informed whether such procedure is correct, or whether the men should be treated at the Government Police hospital.

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 10th September 1890, No. 695.

In retransmitting the letter from the Chairman, Municipal Council, Chicacole, referred to me for remarks under your endorsement, dated the 28th August, I have the honor to state that the term "Government Civil Hospital" includes Police hospitals, and that both the Military and Civil servants of Government at Chicacole, who are entitled to a gratuitous supply of medicines, should obtain the same from the Police hospital, if available, on the prescription of the Government medical officer on duty at that station.

ORDER—dated 20th September 1890, No. 647, Public.

The Surgeon-General's letter will be communicated to the Collector of Ganjam, with reference to his endorsement, No. 204, dated 5th August 1890, and the correspondence will be communicated to all other Collectors for guidance, with reference to G.O., No. 391, dated 2nd May 1889.
