PUBLIC DEPARTMENT.

READ—the following paper :—

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 9th September 1890, No. 687.

In compliance with G.O., No. 539, Public, dated 18th August 1890, I have the honor to submit, for the information of the Right Honorable the Governor in Council, the annual report with statements for 1889 of the Voluntary Venereal Hospital.

ENCLOSURES.

ANNUAL REPORT of the Voluntary Venereal Hospital, Madras, for the year 1889.

The voluntary system as carried out at the Venereal Hospital for the year ending December 31st, 1889, has worked satisfactorily, and the expenses incurred have not been great, in comparison with the cost of other hospitals. The total number treated during the year was 311, including 18 Europeans. The accompanying return will point out the class of disease met with. No less than 231 cases of syphilis came under notice, many of them being of a very grave character—extreme ulcerations with great exhaustion. Eighty cases of gonorrhoea were registered; most of the cases were from the neighbourhood of Black Town, very few coming from 2nd, 3rd or 4th districts; 10 deaths occurred—one European broken down and suffering for a long time from secondary syphilis, and nine natives, all very bad cases on entry, and thoroughly poisoned with syphilis.

The staff has been worked on an economical scale.

First-class Hospital Assistant C. Runganatham Moodelly, No. 97, has done excellent work; he is a careful and zealous man.

Matron Mrs. M. Bryan performed her duties satisfactorily, but is underpaid and overworked. There was no reason to find fault with the mind servants.

I certify that the orders respecting the custody of poisonous drugs issued by the Surgeon-General with the Government of Madras—vide circular No. 28 of 4th October 1887—are carefully carried out.

In reference to circular memorandum, No. 23, dated 31st July 1888, all service books have been written up to date.
