No. 6253-A., dated Bombay Castle, 26th August 1890.

From—J. NUGENT, Esq., C. S., Chief Secretary to the Government of Bombay;

To—The Secretary to the Government of India, Home Department (Public).

WITH reference to the Resolution of the Government of India in the Home Department, No. 1674, dated 12th May 1873, prescribing the plan to be adopted in the preparation of the General Administration Reports of the several Local Governments and Administrations in India, and the Resolution of the same Department, No. 63-2646-57, dated 27th October 1874, directing that no deviation from the forms and series laid down by the Resolution of 1873 should be made without previous communication with the Government of India, I am directed by His Excellency the Governor in Council to enquire whether the Government of India have any objection to the introduction in Chapter III (headed "Protection") of the General Administration Reports of this Presidency of a Section headed "Local Boards Administration" similar to the one headed "Municipal Administration" which now appears in that Chapter.

2. When the Resolutions of the Government of India above alluded to were passed,

* At that time, Local Fund Committees existed under Bombay Acts VIII of 1855 and III of 1869, but the Committees consisted of purely nominated Commissioners and did not possess the large powers in regard to expenditure of Local Funds now vested in Local Boards by Bombay Act I of 1884.

† Resolution of the Home Department, No. 1-R-12, dated 4th January 1890, and letter No. 2-L-B23, dated 16th June 1890.

Local Boards with the constitution and the powers which they now possess had no existence in this Presidency*. Since then, these important institutions have been established under Bombay Act I of 1884, while the orders of the Government of India noted in the margin† directing the preparation of annual reports

on the Administration of the Board according to a standard plan have provided special facilities for the introduction of a section headed "Local Boards Administration" in the General Administration Reports of this Presidency.

2. In these circumstances, and as an Administration Report of this Government can hardly be said to be complete without some information as to the working of the Local Boards within its jurisdiction, I am directed to solicit the sanction of the Government of India to the introduction of the Section proposed above.
