From

Prin. Med. Officer Arms Forces in Madras

To,

The Surgeon General
with the Govt of Madras

Sir,

In returning your memo N^o 5838 dated 16th September 1890, I have the honor to state that it is not clear what ten hospital assistants are referred to. It is evident however that ten military hospital assistants are required for service in the Andamans and Burma. My letter N^o 1983 dated 21st July 1890 to you explained that this Department could not then spare a single hospital assistant. Since then fresh demands have been received by me from the Principal Medical Officers, Arms Forces, Myingyan and Mandalay Districts and Burmah

District

to request that the service may be recruited so as to compensate for these losses.

Order, 13th September 1890 N^o 638.

Communicated to the Surgeon General for early attention and report.

2. The subject of the second paragraph of the letter from the Govt of India should be separately dealt with.

3. The telegram reporting dates of departure should be despatched by the Surgeon-General in the name of Government.
