Civil Hospitals & Dispensaries

Reviewing the reports on —
for 1899.

Letter

Enquiring of the type whether it would be sufficient if the detailed statements attached to the reports on Civil Hospitals and Dispensaries were supplied triennially instead of annually.

No. 710

From

THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE

Chief Secretary to Government
Public Department

SIR,

I have the honor to submit to the
Right Honorable the Governor in Council,
the Annual Returns of the Civil Hospitals
and Dispensaries for 1889 with brief notes thereon,
as required by L.O. No 1455 of 12th July 1886.

In accordance with this Office No 404 of
8th May 1890, efforts have been made to submit
the report earlier, but owing to the steady increase
in the number of dispensaries (which has risen
within the last 10 years by 98.48 per cent) and
the comparatively inexperienced medical
Subordinates, from whom the statistics
have, in many instances to be elicited, it
has, I regret to say been found impracticable
to secure greater expedition with accuracy.

I have the honor to be

Sir,

Your most Obedient Servant.

W. H. Baker Esq.
Surgeon General with the
Government of Madras

NOTE FOR THE CHIEF SECRETARY.

Please see the draft
letter to India. The
suggestions in the note
have been approved by
the Hon. Mr. Grose &
it seems probable that
it was seen by the Hon.
the Senior Member
before he passed the
draft.

J.O.B.

and 1889. There was a
considerable increase
under all heads. The steady
increase in the number
of cases of erysipelas is to be
regretted. A reference to
L.O. No 5877. Military, dated
19.9.90 shows that there
was a corresponding
increase in the number
of cases treated in Military
Hospitals during 1889, and
in para. 3 of that order the

18/10/90

18TH OCTOBER 1890, No. 700, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From W. F. DEFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 19th September 1890, No. 710.

I have the honor to submit to the Right Honorable the Governor in Council the annual returns of the Civil Hospitals and Dispensaries for 1889, with brief notes thereon, as required by G.O., No. 1455, of 12th July 1886.

2. In accordance with this office No. 404, of 8th May 1890, efforts have been made to submit the report earlier, but owing to the steady increase in the number of dispensaries (which has risen within the last 10 years by 98.48 per cent.) and the comparatively inexperienced medical subordinates, from whom the statistics have, in many instances, to be elicited, it has, I regret to say, been found impracticable to secure greater expedition with accuracy.

ORDER—dated 18th October 1890, No. 700, Public.

Recorded.

2. The statement in the margin compares the number of hospitals and dispensaries and sick treated for the years 1888 and 1889.. There was a considerable advance under all heads. The steady increase in the number of cases of syphilis is to be regretted. A reference to G.O., No. 5877, Military, dated 19th September 1890, shows that there was a corresponding rise in the number of cases treated in Military hospitals during 1889; and in paragraph 3 of that order the Government

	No. of hospitals and dispensaries.	No. of sick treated.	Average daily attendance of sick.
1888	375	2,308,097	17,349
1889	393	2,517,603	19,166
1887	..	..	26,950 cases.
1888	..	..	28,835 "
1889	..	..	30,742 "

stated that it was in accord with the opinion of the Principal Medical Officer, Her Majesty's Forces, that the existing voluntary system of treatment of women is responsible for the spread of the disease.

1887	..	63,409 operations.
1888	..	73,176 "
1889	..	86,501 "

1888	..	RS. 9,80,720
1889	..	10,32,579

	European donations.	Native donations.	Total.
	RS.	RS.	RS.
1886	14,797	12,046	26,843
1887	11,224	6,186	17,410
1888	17,120	13,960	31,080
1889	8,819	10,223	19,042

3. The increase in the number of surgical operations is satisfactory.

4. The cost of Presidency hospitals during the year exceeded that for 1888 by Rs. 31,563. The reasons are explained by the Surgeon-General. The total expenditure was greater than in 1888 by Rs. 51,859.

5. The marginal figures show how very much the amount of donations and subscriptions from the general public varies in different years. The decrease in both European and Native donations in 1889 is much to be regretted.

Report on Hospitals & Dispensaries for 1889.

The details in regard to each dispensary are not required here and it is suggested that when forwarding their report to India, the question be put whether such detailed statements are required for each year or only with the biennial report. Much labor & time would be saved if figures for Districts only were given.

Letter of 18.10.1890 No. 701
To Secy to the Govt. Home Dept

In forq. for the info of the Govt. of India copy of the Report on Civil Hospitals & Dispensaries in this Presy for 1889. I am directed to enquire whether the statements attached thereto are required each year or whether it would be sufficient if the details were supplied biennially. The compilation & printing of these detailed statements delay the submission of the report and much labor & time would be saved if figures for Districts only were given. The details would be available if required, in the Surgeon-General's office.

C.8/10
R.16/10

Government

6. The Surgeon-General explains the cause of delay in the submission of the report. Every effort must be made to submit it in future years by the due date, viz., 15th July. The next triennial report, which will be that for 1891, should compare the state of affairs at the end of the years 1888 and 1891, so that the advances made in the department during the interval may be readily seen.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

In forwarding for the information of the Government of India copy of the report on Civil Hospitals and Dispensaries in this Presidency for 1889, I am directed to inquire whether the statements attached thereto are required each year or whether it would be sufficient if the details were supplied triennially. The compilation and printing of these detailed statements—which are not required by this Government—delay the submission of the report, and much labor and time would be saved if figures for districts only were given. The details would always be available, if required, in the Surgeon-General's office.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
18th October 1890.

Chief Secretary.
