Revenue Dept.

Please show papers
quoted. J.D.B.
4/9.

The papers quoted seem to
relate to Revenue matters, but
they cannot be traced among
the ^{or those of Public} ~~Pro~~ of that Dept. under
the dates quoted. A reference
was made to the Revenue Referee
who is unable to throw
any light. The papers may
perhaps be Confidential, but if
Indragiri is unable to trace
them among the Confidential papers,
may not the Collector be asked
to forward copies of the do-
-cuments he refers to, which
if found to be Govt. Pro. may
be traced from the records. I
may mention that a search
among the Revenue Board's Records
was also made without success.

Mr. Lyond.

Are the papers in
Confidential character?

I have looked in the Confell.
Albums. But for cannot find
the papers quoted. The oldest
being to the Resolution of the
Revenue Committee.

NOTE FOR THE Revenue Referee
Madras

The subject of the paper
quoted by the Collector seems
to pertain to the Revenue Dept.
but the papers cannot be
traced among its Proceedings.
Can you kindly give us
some clue to them? There
might be correspondence on
the subject in recent years,
or the records might have been
printed perhaps. An early reply
is requested.

NOTE FOR THE Secy.

The papers referred to by the
Collector in his first letter
in reference to one of which the
is misquoted, appear to be
Law Dept. of Govt. then in
existence. There are no copies
of these documents, but they
will be found recorded at
pages 68 & 74 of the account
book Proceedings Vol. of 1821.
Had the Dept. been
given, the reference to the
would have been unnecessary.
