Madras

To The Chief Secretary to Government
with the Government

Vagrant John Graham

Sir

In reply to the Order of Government dated 16th September 1890 on Reference No. 228 of 1890 I have the honor to report that the cost of deporting vagrant John Graham to Natal would be Rs 150/-

2. This man has applied to 9 different Railway Companies or Managers but has not succeeded as yet in obtaining any employment. He has been some months in the Workhouse.

3. Since I addressed Government (letter No. 88 dated 30th August 1890) recommending this man's deportation it has been discovered that he was in 1880 deported by this Government in the name of Albert Graham. Albert Graham was received into the Workhouse under an order of the Joint Magistrate of Bellary on 8th February 1880. He then stated that he was a Chemist.

Mr. Ballantyne now in the
House stated on this occasion that
was born at Portsea in England and
is a Clerk by profession. Mr. Ballantyne
Governor of the Workhouse when searching
records found that of Albert Graham
and on comparing the photograph of Albert
Graham with John Graham, had his
suspensions confirmed. The man now
the Workhouse stoutly denied having
been here before - eventually he admitted
that he had a brother Albert who had
been declared a vagrant at Gt. Gt. and
refused to recognize the photograph as
that of his brother Albert. Mr. Ballantyne
never made further enquiries proving
beyond doubt that the Albert Graham of
1894 and John Graham of 1894 are one
and the same person. This Graham
he admits. As the term of his enforced
sentence from India under the terms of
Agreement when deported, has expired
proceedings can be taken against him
returning to India. I solicit the further
orders of Government as to whether John
Graham shall be deported to Natal as
requested or be simply discharged
under Section 16 of the European Vagrancy
Act. There is no prospect of his finding
employment here.

Sir,

I have the honor to request the sanc-
tion of Government for the deportation
of Vagrant John Graham to Natal
under the provisions of the European
Vagrancy Act.

Graham is a Clerk by calling
and was admitted to the Workhouse
on the 29th May last. He has no
prospect of employment in Madras
and knows no trade. Having a
married sister, a Mrs. M. M. M. M.
residing in the south of Africa, who
he says will care for him until such
time as he gets employment, he
desires to be deported to Natal, from
which place he will find his way
to his sister.

Enclosed is a true copy of the
declaration made by Graham
before

Commissioner of Police
In the Presidency Magistrate's Court
Egmore, Madras.

A

Declaration, Vagrancy Act (1874)

Whereas John Graham, a person of European extraction, has appeared before me, the undersigned Presidency Magistrate and Justice of the Peace; and whereas, on a summary inquiry into the circumstances and character of the said John Graham it has been ascertained that he is 34 years of age and was born in Portsea, England; that he is a Clerk by profession and was employed as such in keeping accounts in a hardware shop at Woolwich in 1886; that he left England for Madras with the object of obtaining employment.

He obtained employment on the Great Eastern Railway and remained there until 1888, then proceeded to Calcutta where he worked as Manager of a Restaurant, remaining there till March 1890, after which he proceeded to Bombay where he obtained temporary employment in the docks. Left Bombay on the 13th instant and came to Madras where he has been subsisting on the little savings he had: is without any means of subsistence and has no friends or relatives in the country to help him.

I do therefore hereby declare under the provisions of section 5, Act IX of 1874, that the said John Graham is a vagrant.

Given at Madras on this 29th day of May 1890. } By C. R. Jones

Is the Commissioner of Police to report?

11/12

Mr. There is no budget provision for these charges; a decision is pending as to whether the Madras Government charges are high.

It is thought that the question may be asked.

The deportations to Natal of Vagrant Graham at a cost not exceeding Rs. 150 is sanctioned.

The Commr. of Police
Acct. Genl.

Reporting the cost of departing vagrant John Graham to Natal, mentioning that he was deported to Australia in 1880. and requesting further orders as to whether he is to be deported to Natal or discharged under section 16. Act IX of 1874.

Public C. 1548 & 2823

The Commr of Police
asks whether Vagrant
John Graliam - who has
been in the Workhouse
since 29th May last - shall
be deported to Natal at a
cost of Rs. 150 or discharged
from the Workhouse
under § 16 of the act. No
employment can be
found for him here.

40.613 d/28.4.90 -

This man was de-
ported to Sydney in 1880
under the name of Albert
Graliam. His fact he
attempted to conceal but
eventually confessed.

40.645 d/17.9.90.

In their Resolution
on the last Vagrancy Re-
ports - for 1889 - India re-
marked that the largest
average cost of Vagrants
was in Madras but the
local Govt had issued
orders for reducing it.

40.494 d/9.7.90.

There is no special
provision for deportation
charges and so they go to
swell the average cost of
each Vagrant admitted

to the workhouse
during the year.

The following expenditure
on our deportation has
already been incurred
in years:-

to Ceylon	42
to Natal	130
to Mauritius	160
to Natal	140 (exact sum not given).
to England	150 (---)
to Carroll	55
to Bombay	55
Total	823

It is submitted that
it is not a desirable
plan to have loafing
out of Madras and that
150/- for his passage
to Natal would very
likely be well paid in
interests of labour
for

There does not seem to be anything against
B. the man excepting that he has had
190. much less done himself. Judging by
experience it would seem likely that
if deported this individual will
be very quick to find his way back to
the East. He is making ^{up} his mind
to do nothing. He

He has written to Dept. of
Prison that he has
arrived at the
Cape the very day before

24/10/20 L.H.G.

It is no doubt very easy for him to
be released and he does not seem to be
in work or when he gets employment
to remain in it. I submit that he may
be discharged - the money then payable
to some other person's Presidency or to
some other person and so this job may
be lost to him. If he does not and
comes back to the work-house he
must be kept there even then
he considered. I have been a convict
once before.
